

2023-2024 Waseca Hockey Sponsorship Opportunities

The Waseca Hockey Association is a 501 c (3) organization that is run by volunteers and a Board of Directors. We are very fortunate in Waseca to have a hockey program that provides kids the opportunity to play hockey. Currently the WHA has over **135** kids and growing in the program and we host hundreds of home games and 4-6 tournaments each season.

The most important steps in the planning process for a successful season is obtaining local and corporate sponsorship from business and organization, this is to help offset some of the costs associated with ice hockey.

If providing sponsorship for youth hockey is an option for you and your company, please take some time to review our different levels that we have included with this letter. I am confident you will find a level of sponsorship that will be comfortable for your company as well as beneficial to our organization and community!

Please feel free to contact me with any questions!
