To Whom It May Concern:

We are C2 Attack Volleyball Club. We have a high-level boy's travel volleyball program. If you are receiving this letter, it is because one of your students is a member of the C2 Attack Boys' Volleyball Club.

The boys are required to travel to each event, due to traveling demands they may have to leave early on the day before and/or return the day after these events. Our boys live in 15 different states that participate on our teams, unfortunately, these events are not in their hometown or state.
