Unfinished business

Superday with the city will be June 22, 2019 from 9 am to 3:30 pm. Volunteers are needed. Working with the city to make fliers and a booth. Zamboni will be there. Maybe synthetic ice. Looking into small sticks, ice pucks, and skates for giveaways.

Current ice fee's during the season are \$175, Laramie is \$130, and the state average is \$135. We can not compare ice fees with Colorado. No fee reduction for this coming season, might depend of the Stampede staying in Cheyenne.

The Black hills camp is 9-4 to 9-8. Wednesday to Friday evenings. Saturday and Sunday day times. Planning the George Wolff camp and Hannah Westbrook camps is ongoing. Looking to a LA Kings camp in Cheyenne. \$500 for a 3-day camp. Holiday break possibly Communicating with Natalie Collins to invest and generate income for the association. CCM donated 2 sets of goalie pads/gear for the peewee and squirt divisions.

New business

Squirt, Peewee, and Girls receive the jersey deposit of \$75 when turned back in.

CFD is 7-19 to 7-28. John Sayers will be organizing the money running this year. Parents will receive \$60 per person per night to run money to the beer stands during the concerts. Krystal Heppner will help organize a float during the CFD parades. Will organize a Capitals banner, have players walking and rollerblading.

Tammy Lantz submitted her fees for this coming season. \$7000. Billed in the months of October, November, December, January, and February of \$1400. Increase from last year. Luke motions to start looking for a new accountant. Lisa seconds. Motion carries. New treasurer will begin looking at new accountants.

Luke is not running for coach in chief this election. Ideas leading up to this season starting:

Monthly summer meetings with coaches. Use rosters when the registration opens. Wait until registration opens to get a true commitment roster. Hopefully by May the association will have a coach in chief. Need to establish a coaching roster. Work with the board on play up requests for the peewees and bantams. Patrick will come back if able. Luke and Lynda for the girl's team. Chris Brown to assist with bantams. John Sayers/ Jesse Christensen for peewees. Darius is coaching the Squirts. WAHL is now allowing 2 A's and 2 B's for each association in each age level. Try not having teams as A & B and use Red, White, and Blue for team names. 8U's is still open. Communicating with Will Dooley. Will does the learn to play for the city. Even teams at the squirt and peewee levels and be creative with the teams.

Board positions for election and the results for 2019.

Vice President - James Farrell, Treasurer - Kelli Kechter, SafeSport - John Sayers, Booster Club - Becky Farrell, Coach in Chief - OPEN.

WAHL annual meeting April 13, 2019. Casper from 10-5.

Next meeting May 8, Laramie county library, 7pm. Cottonwood Room.
