| Prior FYHA Experience (board member, coach, volunteer, etc.) | I have coached Mites 2 and 3 and now completing my second year as Squirt Coach. |
| Previous and Current Hockey Experience | I started playing for Farmington Hockey Association in 1986 as a Pony. I am the youngest of 4 brothers that all played hockey for Farmington. I was part of the District 8 Champion Team as a second year Pee Wee in 1995. I graduated from FHS in 2000 after a successful run to the State Tournament where we finished as Consolation Champions. I currently play hockey a couple times a week with some lifelong friends that I met at the Mite level in Farmington. I think it is pretty fun to say that my right wing today in my old man league is the same as when I was a squirt. It is a lifelong friendship that I have FYHA to thank. |
| Why I am Running for the Board | I am running for the FYHA board because I have a deep rooted interest in the success of Farmington Youth Hockey. I feel that I can help continue to develop our youth as players as well as respectful individuals of our community. I believe we have an opportunity to build a thriving hockey community where players are proud to be a part of. |
| Other information you should know about me as it relates to my perspective position on the FYHA board | My wife, Kelli, and I are both Farmington natives that moved back here once our oldest child became school age because we love the sense of community. We will continue to raise our 3 children with the same values that we were raised on while we grew up in Farmington. |
