GIRLS HOCKEY

About

The Rosemount Area Hockey Association (RAHA) has been a cornerstone of the community for over 50 years, inspiring young athletes since its founding. While hockey has long been a staple in Rosemount, girls' hockey is still relatively new, and continues to grow.

The first all-Rosemount 10U girls' team was formed in 2013 with just 12 players, marking a pivotal moment in the program's history. In 2019, RAHA welcomed its first female head coach, underscoring our commitment to creating more opportunities for young female athletes.

Girls Hockey Day was created to celebrate this progress and spotlight the players, coaches, and families who are shaping the future of the sport. Each season, RAHA's girls' teams from 6U through 15U gather at the arena for a full day of hockey, activities, and community fun. It's a chance to cheer each other on, build team spirit, and showcase the pride and energy that girls bring to the game. In 2024, the event welcomed 16 teams and was even featured on local news, highlighting its momentum and impact.

More than just games on the ice, Girls Hockey Day emphasizes community and giving back. Each year, RAHA partners with a nonprofit to support a cause. These efforts remind our players that being part of a team extends beyond the rink.

Today, RAHA takes immense pride in its growing girls' hockey program and is dedicated to expanding its reach and impact. Girls Hockey Day captures that spirit, celebrating how far the program has come while inspiring the next generation to lace up their skates.

GIVING BACK

GIRLS HOCKEY DAY CHARITY OF CHOICE

We're proud to support Kaitlyn's Kloset, a local nonprofit right here in our District 196 community. At RAHA, we believe hockey is about more than what happens on the ice. It's about teamwork, leadership, and giving back.

That's why this year, we're rallying together to support Kaitlyn's Kloset and the families they serve.

HOW TO DONATE:

- Drop cash in the donation jars located at both the Welcome Table or Concession Stand
- Add a donation to your concession stand order in increments of \$1 or \$5

Every dollar stays right here in our community to support local families

ABOUT KAITLYN'S KLOSET

Kaitlyn's Kloset is an organization committed to providing families with the items they need to raise their children, while also decreasing the stigma that often comes with needing and receiving help. Kaitlyn's Kloset provides a welcoming space to all people, allowing them to shop through a resource center full of items that they can take home to their children, with no cost or payment involved.

RHS GIRLS HOCKEY

Please support the Rosemount High School girls hockey team throughout their season. Seeing youth players in the stands makes a difference and helps build a strong girls hockey community from top to bottom.

Many of these players once celebrated Girls Hockey Day just like our RAHA skaters today, cheering from the stands and dreaming about wearing the RHS Irish jersey. Now they're leading the way, representing Rosemount with pride and showing younger players what the future can look like.
