

LEARN TO SKATE PARENT EDUCATION:
LEVEL B/C

Ice Den Chandler is a member of the U.S. Figure Skating Association. All skating lessons follow the Learn to Skate USA program curriculum.

A current Learn to Skate USA membership* is mandatory for all participants.

Learn to Skate USA Members receive the following benefits:

- Eligibility to participate in lessons, recitals, shows, exhibitions, competitions and all activities associated with Learn to Skate USA
- Skaters will receive a Welcome Packet in the mail, which includes a subscription to Learn to Skate USA Magazine
- Receive secondary sport accident insurance
- Parent Handbook
- Instruction from certified and Safesport compliant coaches
- Standardized curriculum
- Access to the Learn to Skate App
- And best of all, you'll be a member of the best skating program endorsed by U.S. Figure Skating, USA Hockey and US Speedskating

**Membership fees expire annually on June 30 - regardless of when a skater's most recent membership was purchased.*

LEARN TO
SKATE
USA

PROGRAM DETAILS

- Sessions are six (6) weeks long unless otherwise advertised.
- A welcome newsletter is sent prior to the start of each session. This contains specific class dates, special events and other information.
- After Week #1, all classes consist of 15 minutes organized group warmup, 30 minutes of instruction, 10 minutes of group activity and 5 minutes of free time.
- Evaluations are emailed within 24-48 hours of the last class. Do not wait for evaluations to register for the following session. Skater profiles will be updated prior to the next session.
- No make-up classes or skating passes are offered for missed classes.
- Returning members must register before 10:00 a.m. Monday of Week #1 (regardless of class day/time) to avoid late registration fee.

YOUR SAFETY, COMFORT AND ENJOYMENT ARE OUR TOP PRIORITIES
AND A PROPER FITTING SKATE IS THE KEY TO HAVING FUN ON THE ICE!
Please take a moment to read the following information and tips regarding skate rentals:

RIGHT WAY TO LACE YOUR SKATE

TIGHTLY LACE TO TOP OF SKATE

TUCK TONGUE IN BOOT UNDER LACES

WRONG WAY TO LACE YOUR SKATE

LOOSE SKATES OFFER NO ANKLE SUPPORT

DON'T LET LACES DRAG

THE ICE DEN OFFERS TWO TYPES OF RENTAL SKATES:

1. Figure/Standard Skates* 2. Hockey Skates

**Standard skates are recommended for beginners as they have longer/flatter blades making them easier to balance on.*

- The Ice Den staff will assist you in selecting a pair of skates when you provide your shoe size and skate preference. Tall, fitted socks are strongly recommended.
- Please note that rental skates are not available in half sizes. If you are in-between sizes we recommend you go up a size in the standard skate and down two sizes in the hockey skate.
- Skates are made to be stiff and supportive, but in order to get full support from the boot you must lace them up properly.

FITTING & LACING YOUR SKATES:

- Loosen the laces as much as possible all the way down the boot of the skate
- Pull the tongue out and slide your foot down the back of the boot, tapping your heel for best fit
- The boot should feel snug but not too tight, your ankles should be secure in the boots with minimal side-to-side wiggle room
- Once the boot is on your toes should graze the tip of the boot and your heel should not easily slide up and down (this will help prevent blisters)
- Once both skates are on, tighten the laces starting from the toe area and pulling tightly up to the ankle area
- Laces should not be wrapped around the leg or hanging down near the blade
- If you notice any issues with the skate (i.e. broken lace) please notify an Ice Den team member

FIRST DAY OF CLASS

- Please arrive 20 minutes early to prepare for class.
- Check-in at the designated area to receive your name tag. You must wear your current session name tag to every class. If you misplace it, Admin will make you a new one. Skaters will not be permitted on the ice without a tag.
- Coaches will be in the lobby to assist with skate tying and sizing.

ICE SAFETY

- All ice doors will remain closed when not attended by a coach. DO NOT OPEN THE ICE ACCESS DOORS. For the safety of all skaters, please alert a coach for access on and off the ice.
- NO GUM

WHAT TO WEAR

Please note, the average temperature inside the rink is 56 degrees. The Ice Den Chandler encourages skaters and spectators to dress accordingly for warmth and safety.

- Skaters must be in skating clothes, such as a skating dress or warmup pants. No jeans or shorts.
- Long hair must be tied back in a ponytail.
- Gloves are recommended.
- Wear thin socks that come above the ankle for skates to fit comfortable and snug.
- Rental skates are included with registration and serve as a great start. We recommend skaters own skates by the time they enroll in Basic 4. Wearing your own skates is more beneficial to skill development and skater progress as levels are completed.

Stop by our on-site pro shop, Coyotes Ice Sports to speak with a member of our team for information on skate fitting and purchases, required equipment, skating attire and accessories.

Ice Den Community members earn Pro Points with every pre-tax pro shop purchase at either Ice Den location.

ASPIRE ELITE

Ice Den Chandler Learn to Skate Levels
B&C showcases the USFS Aspire Program.

BUNDLE CLASSES + SAVE!

- Two (2) Learn to Skate classes per week
- Four (4) off-ice classes per session

All for one low price...

Contact the Admin Office for more
information.

EVALUATIONS

- Evaluations are emailed within 24-48 hours of the conclusion of the last class. You do not need to wait for the evaluation to sign up for the next session as enrollments will be updated automatically.
- Skaters are evaluated throughout the session and may be moved ahead prior to the end of the session based on progress.
- Curriculum for each level is posted online at learntoskateusa.com or accessed via LTS USA app. The required curriculum, and associated skills, must be completed before advancing to the next level. A skater will be required to repeat a level until the compulsory skills are properly demonstrated.
- As skaters complete levels they are eligible to purchase an Achievement Badge for \$2 at the Administration Desk.

PRIVATE LESSONS & PRACTICE ICE

- Private lessons are the perfect way to gain extra practice one-on-one with a coach. These “booster lessons” help focus on elements needing extra attention leading up to evaluation day.
- Interested skaters can submit a private lesson request form online via the Skating: Private Lessons [webpage](#) or at the Admin Office.
- Level B&C skaters are welcome to skate our multiple freestyle sessions daily. No coach is required to accompany skaters Basic 6 + above. Levels lower than B6 must be accompanied by a coach for at least part of the session. Advance online registration is required.
- PLEASE BE ADVISED:
To participate in private booster lessons, or on freestyle sessions skaters MUST OWN a pair of skates. Rental skates are not available for private lesson use.

For more information contact the Admin Office.

SKATING PROGRAMS & CLINICS

The Ice Den Chandler offers a variety of specialized skating camps and programs that enable skaters of all ages and levels to experience new disciplines. Follow us on social media IG: @icedenaz and FB: @icedenchandler as well as check your email in-box for updates and details:
