

JARED ROSS

I grew up in Huntsville, AL father to 25 year long UAH head coach Doug Ross. I played in NAHA as a child and became our first NHL hockey player when I competed with the Philadelphia Flyers. After a 12 year long professional career I continued my passion for teaching children the game of hockey and began coaching NAHA and TPH teams. I have over 34 years of playing experience, 20 years of coaching experience, am an ambassador of hockey in Huntsville, know the people, and have a strong passion to add value to the Huntsville hockey community.

Thank you for the consideration.
