### Registration Questions:

Questions regarding registrations or problems registering online should be directed to

**Terry O'Farrell at 905-517-8193 or [terryofarrell@gmail.com](mailto:terryofarrell@gmail.com)**

**Registrations** must be completed online through Sportzsoft. Please be reminded that it is imperative to login to your account from previous years on Sportzsoft and NOT to create a new account unless you are a brand new family that has not ever registered through Sportzsoft in the past. If you can't remember your password, please use the Forgot Your Login Password button on the login page below. If you can't remember the email you used, please contact our Registrar Terry O'Farrell at [terryofarrell@gmail.com](mailto:terryofarrell@gmail.com) and he can look it up for you and confirm the email address, than you can use that and reset your password. If you have a new son or daughter to register, please log into your previous account and then add them as a player under your profile.

There is a **PDF User Manual** on the bottom right hand corner of the login page below that can walk you through the registration process. Registration fees can be paid by credit card through Sportzsoft or by etransfer to [scmlatreasurer@gmail.com](mailto:scmlatreasurer@gmail.com) using the Password "Lacrosse".

**Any player wishing to play house-league lacrosse ONLY may register anywhere he/she wishes to play. No club shall require a release for a player to play house-league ONLY. Players playing under this provision may not attend a REP tryout or play in any REP game as an alternate for a team for which they would not be eligible to play under current residency rules.**

**ATTENTION ALL U.S.A. PLAYERS: Any player who resides in the United States is eligible to register for any Ontario Minor Lacrosse Association of their choice, regardless of their port of entry into Canada.**

In order to play lacrosse, you must register with St. Catharines (SCMLA) and the Ontario Lacrosse Association (OLA) through the Sportzsoft registration system. We also request that if you don't have a SportsEngine account at [scmla.ca](http://scmla.ca), that you create one in order to stay up-to-date on all lacrosse announcements and news within our association. Instructions on how to complete both are outlined below:

**1. OLA Registration - Sportzsoft System:** This step is your OLA registration where you will upload your proof of age and pay your registration and try-out fees (rep-teams only).

**New Players:** Players/Families who are new to playing lacrosse for St. Catharines, need to create a new account in Sportzsoft by clicking the "Sign Up as New Member". You will then be able to set up an account and add one or numerous children under your account. Please be prepared with the following:

**1. Each player will be required to have a proof of age document in digital format to upload to their registration (in jpeg or pdf format) and credit card payment will be accepted on-line to complete the registration.**

\*\*Please note if you are a parent registering a child that is new but you have other children that have played with us, you can log-into your previous account and add an additional child to your account under the Profile tab. You will need to upload a proof of age document for this new player only.

**Proof of Age Documents:** The OLA will accept a Birth Certificate, Passport, or Nexus card as a proof of age document. You will need to take a clear picture of the full face of the document, ensuring the name and date of birth are clear and save the picture on the device you are using to complete the online registration. Ensure the document is saved as a jpeg or pdf and then upload it to the system when prompted.

**Returning Players:** If you have previously registered for St. Catharines through the Sportzsoft system in the past 2 seasons, please do not create a new account. Please use the same account as you used previously so that the players proof of age and all registration notes follow the player. If you've forgotten your password, please use the "Forgot login" button to retrieve your log-in information. Once logged in, click on the Registrations tab - you will see passed registrations. Click on "New Registration, then choose the appropriate player/participant and click "Next" (on the bottom far right). Now you select the appropriate Product from the drop-down menu (read and choose carefully to ensure you register for the correct product).

**Reminder: Registration is not complete until you are paid in full.**

No player will be permitted on the floor without having completed registration (with required proof of age document) and being paid in full.

No player will be permitted on the floor with outstanding registration fees and fines to SCMLA from the previous lacrosse season.

**2. SCMLA SportsEngine Account:** In order to set up your account with our website and receive all email blasts regarding important lacrosse announcements, try-out dates, etc., visit [www.scmla.ca](http://www.scmla.ca). You will need to click register or login at the top of the screen and create a Sportsengine account.

**Stay in the loop! The best way to stay up-to-date on lacrosse announcements is through our own SCMLA website with a SportsEngine account and by following us on our social media pages:**
