

## CEVA CLUB DIRECTORS' UPDATES – 2/16/2023

- CEVA is exploring moving the start date of Power League earlier in 2023-2024. We're looking for feedback from clubs on this potential change. Please fill out a brief survey [HERE](#) if you haven't already.
- The deadline to register for Regionals is February 28 at 3:00 PM. Once the deadline passes, we will publish exact capacities for Regionals. Several logistics are still being worked on by our staff to determine how many teams we can accept into the tournament.
- Continue to educate your teams, coaches, and families about facility policies that can be found [on our website](#). Policies change from time to time, so it's always a good idea to check that page prior to a tournament, even if you've been to a facility before.
- Take a minute to review the [USAV Minor Athlete Abuse Prevention Policies](#) (MAAPP). We suggest paying particular attention to social media and electronic communication policies in that document.
- January invoices are due on February 24. If you wish to pay with a credit card, please contact our office. Late fees will be applied after the due date.
- Registration for the high school boys' season in Oregon (which CEVA is supporting, but not directly running) is underway. The regular season begins in early April and will culminate with a state tournament in May. Read more here: [www.oregonboysvball.org](http://www.oregonboysvball.org)
- **Continuing, repeating messages**
  - o Be nice to one another.
  - o Respect our facilities and leave them nicer than you found them. Clean up after yourselves.
