

2022-2023 Sponsorship

Thank You to BGHC Sponsors

To our past, current and future sponsors,

Bloomington Girls Hockey would not be where we are today without the amazing local businesses that have supported our efforts over the past years.

We have experienced 36% growth in the last 6 years with a total of 171 player's last season.

Our teams have also grown from nine just six years ago to 12 last year, and five of those being new teams for our youngest players.

Your support not only helps get new players in the program by offering a \$40 first-year cost for new 8U players, but it also offers equipment to those that need it, and scholarship funds to help those that want to play but need the financial support.

The past 30 months have been difficult for all of us. We realize it has been tough for many of our sponsors.

We believe getting the girls back on the ice is important and to give them a "normal" season is our top priority, and your sponsorship helps us to be able to do that. Please consider sponsoring Bloomington Girls Hockey. Thank you.

Sincerely,
Joe Ogren
BGHC President
