 - Once this session is completed, I will work on setting up training sessions at the rink.
- I added a Gamesheet section to the Coordinators page with guides for the coordinators and a link to the training page.
 - Coordinators will need to follow the Gamesheet Teams guide to setup the Teams app on their phones and manage their tournaments rosters.
 - They will need to be familiar with the Game Day guide as well to help make games run smoothly.

- The Palace City Cup this past weekend went smooth with scoreboard and audio systems working without issues. Trained two new volunteers on timekeeping as well.
- New digital time clocks will be installed in the rinks and locker rooms over the next couple of weeks.
- The locker room schedule TV has been updated to display a vertical schedule that will show up to 10 games at once without scrolling. Any feedback on the new display format is welcome.
