

BASHA BEARS FOOTBALL

OUR TIME IS NOW!

2024 SPONSORSHIP PACKAGE

Dear Potential Basha Bears Football Corporate Sponsor:

Please take a moment to consider becoming a 2024 Basha Bears Football Corporate Sponsor!

Basha's Head Football Coach, Chris McDonald and his staff, have elevated the Basha Bears to one of the top football programs in the state, which culminated in the school's first Open Division State Championship in 2022!

As you might imagine, a significant amount of funding is required to help the players compete at the highest level on the field and create tremendous experiences for them off the field. Further, we recognize the connection that needs to occur between a high school football program and the community. We want to encourage patronage to your business. Consider partnering with the 2024 Basha Bears Football Program.

With your support, we know this will be our best year ever! Our Time Is Now!!
