2019 Donation Request Form

Dear Sir or Madam,

The Cloquet Youth Baseball & Softball Association (CYBSA); comprised of boys and girls ages 4 to 16, will be hosting their Second Annual Golf Scramble on August 12, 2019, at the Cloquet Country Club. The Golf Scramble will allow participants a fun filled day of golfing and entertainment; it is also a means to raise funds to help pay for jerseys and equipment needed by CYBSA along with any other needs for the Park or kids. The Golf Scramble is run by parents and will be successful because of the generous donations given by local businesses and members of the community!

This letter is a request for a donation of goods, services, or financial assistance. A donation of \$100 is requested to be a hole sponsor and all other donations of services or other goods will be sold during the Golf Scramble Silent Auction. CYBSA is a non-profit organization.

Thank you for helping us reach our goals for the success of both the Golf Scramble and the CYBSA program! We truly appreciate your continued support.

Respectfully,

CYBSA, and
All Parents
