

- S. Pitching Rule.** No player may pitch more than a total of 105 pitches per day. A pitcher will be allowed to finish a batter if he reaches or exceeds the maximum limit during an at-bat, but must exit the position after that hitter. No player may enter the game as a pitcher without having fulfilled the required rest days as mandated in the chart below. No player may make more than two appearances as a

pitcher during any consecutive three-day period. **PENALTY** – The pitcher is removed from the pitcher's position and head coach shall be ejected from the game and serve an additional game suspension.

1. Any player may be removed from the pitching position and remain in the game at another position. However, a pitcher will be automatically removed from the position when a coach makes a second trip to the mound in the same inning, and that player cannot return as a pitcher in that game. **PENALTY** – Forfeiture of the game if a protest is filed with the umpire-in-chief before the last out of the game.
