

Rules of Behavior for Empire Players

General:

- As Empire athletes, we treat others with respect. This includes our teammates, coaches, parents, officials - and our opponents.
- Players are expected to remain at tournament sites for the duration.
- Do not go anywhere alone. There is a “rule of three” in effect at all times.
- Players who are of age may not drive themselves to tournament sites.
- Absolutely no alcohol, smoking or other non-prescription drugs.
- Cleanliness at playing sites is each player’s responsibility. Parents and coaches are not there to clean up after the players.
- All team members are required to remain at tournament sites until **all** team duties are complete. This includes refereeing responsibilities.

Hotel Stays

- No one is allowed in hotel rooms except players and chaperones.
- Players are not allowed to leave hotel rooms without notifying chaperones.
- Chaperones must always know your whereabouts both in hotels and at tournament sites.
- Be respectful to other hotel guests after hours.
- Drive to and from sites with chaperones or designated adult drivers.
- Rooms must be left the way we find them. Any damage done by a player will be the financial responsibility of that player.

Any infraction of these rules will lead to disciplinary action. Any serious infraction of the rules will lead to dismissal of the player from the tournament, and they will go home. This will affect your eligibility to participate in this club in the future. Be safe and have a great season!
