

## Letter of Interest for Vail Mountaineers Board of Directors

I am writing this letter to express my interest in joining the Vail Mountaineers Board of Directors.

I was born and raised in Vail and started playing Hockey at the age of 4 when Dobson was an outdoor Ice Arena. I played from Mini Mites through High School for Vail Program and upon returning from University and travels abroad was a Coach for Vail Junior Hockey for 4 years.

I am also a parent of a Hockey player and although he will be a Midget now, I am stepping into the place where I am comfortable providing my knowledge, support for the Club. I always said I would never coach my son, or have an active role while he is a player due to the fact I feel strongly that my interests need to be in the Club and not in just my sons interests.

Vail Mountaineers has a great opportunity to evolve as a club and provide not only the Recreational aspect that the club can offer, but look at ways to expand on the competitive aspect that is pushing kids away to other programs and I would love to be at the fore front in sharing my thoughts, knowledge and experience on how this can be accomplished.

I am happy to provide letters of reference if needed. Please advise.

Thank you in advance

Bob Knox
