Preparations are underway for the upcoming 2019 Little League season and we'd like to invite your organization to become a Corona American Little League Sponsor. With hundreds of children in our league, this is a great way to support Corona American's children and the Corona American community as a whole. All Sponsorship proceeds will be used to purchase new equipment, cover the cost of field maintenance and improvements, fund player development opportunities, narrow league operating expenses and assist families burdened by the cost of play. This year, the proceeds collected will be used to fund special projects. We are in need of an ice machine.
