

Cookie Dough Fundraiser USEFUL TIDBITS & FAQ

Useful Tidbits:

- ☺ Check out the Cookie Dough flavors and ingredients in the [BROCHURE](#)
- ☺ Print this [ORDER FORM](#) at home to keep track of your orders. Ensure your player notes who purchases, where to deliver their order when it comes in, and how much they have ordered. Your player will be delivering the cookie dough to their customers when it comes in! Please keep a copy of your orders.
- ☺ Encourage your player or skater to call, email or FaceTime neighbors, friends, and families to share why it is important to support our non-profit and our mission of building players and skaters for life plus why hockey or skating is important to them.
- ☺ Money for the order **MUST** be collected at the time of sale. Should a customer wish to pay by credit card please guide them to the website page www.snokinghockey.com/cookie dough to complete their order and pay. Do not forget to let them know your "player or skater name" to complete their order. If family or friends live out of town, they can still support with an online donation.
- ☺ Total your orders and submit one consolidated order online with payment to Sno-King (credit card, cash or check made out to Sno-King Amateur Hockey Association). All orders must be submitted online to provide detailed order tracking and reporting.
- ☺ Keep a copy of your detailed order form "by customer" so you know who to deliver it to upon arrival.
- ☺ Cougar Mountain will deliver Sno-King's consolidated order to our Sno-King facilities for players and skaters to pick-up on December 5 and 6. We will schedule and communicate pickup details after Thanksgiving once all orders are submitted. We are unable to ship to any location other than a Sno-King facility.
- ☺ Players and Skaters will then be responsible for distributing to those who ordered from them. Please remember, it must be kept cold - make sure to sell to those you can easily deliver to and or you have fridge/freezer space ready for storage.
