Manheim, PA – Last year, on the campus of Princeton University, Charlotte Fowler (Campbellsville) and Maria Vidales (Emmanuel) faced off in the 2017 NWCA All-Star Classic. Fowler came out as the winner. This year, Maria Vidales looks to gain early momentum with a win over Fowler in this year's All-Star Classic.

Maria Vidales, born and raised in Dallas, Texas, is excited to return to her second straight NWCA All-Star Classic. She is a two-time WCWA National Qualifier and a two-time All-American. In 2017, she finished in third place and became the National Runner-up in 2018 for Emmanuel College.

Charlotte Fowler played a vital role in helping Campbellsville take first at the 2018 WCWA National Championships with her third-place last year. This was her second straight All-American finish after her fifth-place finish in 2017 after wrestling Vidales in the national semi-finals where she lost a close 5-2 battle.
