"Sportsmanship, Character, Development"

Age Groups	Total Annual Payment (2020-21)	Membership registration fee (non-refundable): due by Sept 15 th	Total fees for the Fall season (2.5 months); remainder due by Oct 15 th (if not paid in full by Sept. 15 th)
U9-U10	\$560	\$200	\$300
U11-U12	\$560	\$200	\$300
U13-U15	\$740	\$200	\$350
HS boys & girls	\$740	\$200	\$350

In past years all additional costs and fees (for tournament travel, CIYSL league fees, referee costs, etc.) were part of annual member dues. With the restrictions currently in place, the Board has shifted the overall dues structure for this coming season, reducing overall costs across the board while preserving enough in fees to support our coaches and staff in implementing a training program that fits within current guidelines. In essence all players for the Fall season will be "practice players", so our fee structure is meant to reflect that. Although total annual cost is noted in the table above, families are **only asked to commit for the Fall season at this time**, as we do not know what might be possible in the Winter and Spring. Additional details below.

- "Total annual payment" and "Total fees for the Fall season" assumes we are only permitted activities [per current Phase 4 guidelines](#) – that is, no games against other teams/clubs, no tournaments, no out-of-state play. If guidelines change and some of these activities can be brought back, additional fees will need to be paid by members in order for the club to participate.
- 2020-2021 season = 9 months (starting Aug 24th and running through May 28th). Annual fees represent a monthly amount x 9 months. Monthly fees for all u12 and under age groups = \$40; for u13 and up age groups = \$60. For example, in addition to the \$200 registration fee, u9-u10 families would pay \$360 for the full year (9 months X \$40/month).
- Monthly fees for u13 – u15s and High School teams are higher as they train 3 times per week, whereas younger age groups only train 2 times per week.
- 2020 Fall season is defined as 2.5 months (starting Aug 24th and running through Nov 6th)
- Even though we have costs broken out by month, to keep things simple for the Fall, we will give families 2 payment options: (1) pay the full Fall fee at time of registration (no later than Sept 15th) or (2) pay the membership registration fee (\$200) no later than Sept 15th, followed by a second payment for the remaining balance (either \$100 or \$150) no later than October 15th.
- HS boys and girls have traditionally only had one season (Fall or Spring), opposite their high school season. By listing a total annual payment for these groups, we are assuming the possibility of having teams for both Fall and Spring. If, however, high school sports are allowed in Spring, there would be no additional fee beyond the \$350 Fall fee.
- Although the membership registration fee is non-refundable, refunds/credits may be provided for a month in which training is cancelled due to additional safety restrictions put in place by the state. For example, if we have to cancel training in October, members can be refunded/credited for the monthly fee for October and first week of Nov.
- Regarding the \$200 membership registration fee: it will only be paid once for the entirety of 2020-21 season, reserving a players' spot at the club for the entire year. Any new player joining the club at any point during the year will be expected to pay this fee. Any player that does not participate in a given program will not have to pay a registration fee again to "re-join".
- Scholarships are available for players who show financial need. Scholarship Applications must be completed and turned in by the final tryout date. More info and the application form can be found on [our tryouts webpage](#).
