

March 1, 2023

Dear Lindbergh Flyer Friends,

As the 2023 Flyers football season approaches, the Lindbergh Football Association is preparing to create the **2023 Lindbergh Football Media Guide**. Each year, the media guide has served as an advertising tool for area businesses and has enabled families the opportunity to show how proud they are of their student athletes. You can help by placing personal ads or **“Shout Outs”** for your favorite student, teacher, and/or coach.

Placement deadline is **June 1, 2023**. Your ad and money must be received by this date.

No ads will be accepted after June 1st because of print deadlines.

A media guide as is a great opportunity to reach out and show support for your student, cheerleader, dance team member, band member, or football player, while at the same time supporting the Lindbergh Football program. We are looking forward to an exciting year and are grateful that you will be a part of the **2023 Lindbergh Football Season**.

GO FLYERS!
