

## Code of Conduct - Incident Reporting Form

To further improve our process for implementing, enforcing our Code of Conduct, we have created an Incident Reporting Form that any Manager or Coach may complete to report an incident to the Player Agent relating to inappropriate behavior by any Manager, Coach, Parent, umpire or spectators at any Rodeo Baseball events.

We are asking that all parents discuss any issues with the Manager and let the Manager update the document and send the form to the Player Agent for follow up and review.

We encourage everyone to follow our Code of Conduct and avoid league involvement in conflict resolution, but we continue to have issues each year and we need to streamline the process.
