Calling all Pendleton Community Members

We are looking for enthusiastic individuals looking to make a difference in their community and would like to invite you to apply to become a Youth Umpire for the Spring 2023 Season. Umpiring is a great way to earn community service and show your support to our local youth athletes. Our goal is to supply enthusiastic, mature, and committed umpires for both youth baseball and youth softball games. Opening Day for the 2023 Season is on Saturday April 9th, and the season will end on June 3rd. Games will be held in the Evenings on Monday – Thursday and are usually completed prior to 9 PM.

For local High School students. Becoming a Volunteer Umpire is a great way to add community service to your college applications! Colleges are looking for students that stand out. The only way to stand out amongst your peers is to go above and beyond what the normal student would typically do. That means that you are partaking in after school activities and striving to make your community a better place. The more extracurricular activities that you can show, the better. Becoming a Youth Umpire is fun and rewarding way to accomplish this!

In order to become a youth umpire, you must:

- Be at least 13 years old and at least one year beyond Little League Age 12
- Have knowledge of rules (Baseball/Softball Experience Preferred)
 - We will provide training as needed
- Complete a background check

Umpires will be volunteering and can receive two hours of community service per game. Game assignments will be administered through the Little League Umpire Coordinator. Schedules will be distributed and updated as needed throughout the Season.

If you would like to be considered for a youth umpire position, please contact the Little League Umpire Coordinator.

Contact Information:

Jake Flemmer - Pendleton Little League Umpire Coordinator

Based upon response, we will invite as many individuals as possible to become umpires. Our goal is to have enough Umpires to keep everyone fresh, and to prevent burnout. This is a volunteer position, and we want to make sure to keep it fun for everyone!

We will contact those chosen by our selection committee prior to March 3rd to confirm your decision to become a youth umpire. Our selection criteria will be based on baseball/softball knowledge, level of interest, temperament, and level of maturity.

Thank you for choosing to make a difference and volunteering to become a Youth Umpire in Pendleton!

Sincerely,

Jake Flemmer: 208.891.5653
