June 1, 2020

Dear Parents, Players, Coaches, and Managers,

Youngstown Class B Baseball is committed to maintaining the health and safety of all entering the park and their families during the COVID-19 Pandemic. We will be following all guidelines from Governor DeWine. We will also be adopting additional guidelines for everyone.

ALL SPECTATORS:

1. Are expected to social distance.
2. Are **strongly recommended** to wear face masks.
3. Should conduct self-evaluations before arriving at the park. If you are showing any symptoms, you should stay home for the safety of everyone else at the park.
4. Must stay at least 6 feet away from players
5. Start times of games are staggered to prevent large crowds from entering and exiting at the same time.
6. The only restrooms available will be the ones behind the press box on Field 1.

ALL PLAYERS, MANAGERS, AND COACHES

1. Will have temperatures taken and evaluations conducted prior to entering the park. Procedures are in place in the event someone has a fever.
2. Will be socially distanced as much as possible while on the fields.
3. Will enter and exit from different points of the field.
4. Managers will sanitize dugouts upon leaving.
5. Teams will completely leave field before the next team is allowed entrance.
6. Players must use their own equipment.
7. Must refrain from high-fiving or any other contact with each other and their opposition.
8. May not have team meetings after the games.

Other rules/notes:

1. **ABSOLUTELY NO SPITTING OF ANY KIND IS ALLOWED.** This includes but is not limited to the following: sunflower seeds, spitting on hands/batting gloves, chewing tobacco, etc.
2. There will be no shared water coolers for teams.
3. The team on defense is responsible for providing Youngstown Class B baseballs and chasing all foul balls.
4. Start times of games are staggered to prevent large crowds from entering and exiting at the same time

Thank you for keeping each other and our employees safe,

Bob Cene
President
