

President, Rory Holland called February 19 meeting of Rock River Baseball League to order at 7:05pm. Meeting was held at Watertown Bowl North. All teams were present with Gregg Kuehl of Executive Committee absent.

President, Holland reviewed 2014 schedules. Looks like most games are set with a few changes to be finalized.

President, Holland explained that the collision at home plate is still under discussion. As of now collisions are still allowed.

Discussion of playoff system began. Motion by Farmington, seconded by Hustisford, to have a North & South Champion who would play a 2 out of 3 playoff for the Grand Championship. Motion passed 11-9.

Motion by Clyman, seconded by Brownsville to have a standard double elimination playoff in each division. 1 vs 4 & 2 vs 3 first round. Second round would be game 1 & 2 winners in game 3 and game 1 & 2 losers would play in game 4 at home of the higher seeds. Game 5 would be played by the two teams with 1 win & 1 lost at higher seed. Winner of game 5 would play game 6 at the first weekend's 2-0 team. If 2-0 team lost game 6 they would travel to the winner of game 6 for game 7. Motion passed.

Ideas were discussed about Web site funds. Maybe a championship banner, traveling trophy, or having the Grand Championship trophy presented at end of final Grand Championship game.

Initial rosters should be sent to President, Holland by April 29, 2014. Any additions of players during the season shall be submitted to President, Hollard two calendar days before next scheduled game to make those additional players eligible for that game per bylaws.
