

Are you interested in supporting your local schools, sports programs and community while also connecting to thousands of potential customers? Please consider becoming a sponsor of the Ashwaubenon Boys Basketball. Your support helps pay for much needed uniforms, equipment, tournaments, and scholarships for our players. Reply by November 10 to join our sponsorship team!

Annually, our youth boys basketball program serves all K-12th grade athletes in our community. However, **your support will reach far beyond the players, and into the hearts and homes of countless families and friends** in our conference and beyond including:

- Ashwaubenon
- Green Bay
- Howard
- De Pere
- Pulaski
- Manitowoc
- Sheboygan

Our Game Day Program is our primary advertising tool which features all of our sponsors, in addition to being on our website. This is a great return on your investment dollar to create local awareness for your brand and a positive way to show your support for our community. As a sponsor, your sponsorship will be seen at all boys JV and Varsity home basketball games and on the team website (ash-aba.com).
