      - Volunteer orientation
        - Diff between 9 inch & 13 inch
        - Check the tag on each plant (red/purple for example are difficult to differentiate)
      - Go back to the color coded signs (this year's signs were b/w, didn't work as well)
      - Pair up volunteers, if enough people sign up: one fill an order & the other person check it immediately following
      - If the number of volunteers is high, have one volunteer per product to hand it out.
  - MN Run - Halloween Half Marathon fundraiser (10/29)

Booster Club mission/goals - Encourage an atmosphere of good conduct and sportsmanship in the athletic endeavors of Eagan High School Boys Cross Country Team athletic program; promote a spirit of goodwill and fellowship among parents, guardians, participants, coaches, faculty, school administrators and others who have interest in the EHS Boys CC athletic program; and develop financial resources and support services for the EHS Boys CC athletic program
