Further, SLV reserves the right to remove any attendee who does not behave in accordance with the Summit Lacrosse Society, and applicable laws.

- All cancelled entries, at any time following initial registration, will result in the forfeit of the deposit, unless a replacement team can be found, in which case your deposit may be refunded.

  - After April 3, 2023, all registration payments will be non-refundable.
- Failure to meet any payment due dates will constitute a forfeiture of the tournament spot, which may be offered to another team.
- Should the event be cancelled due to circumstances beyond the reasonable control of SLV, such as an act of God, natural disaster, or national/local/public state of emergency, team deposits, along with the application fee, may be retained by Summit Lacrosse Ventures, with all other paid fees refunded in full. Should SLV voluntarily decide to cancel the event, all tournament payments, less the \$100 application fee, will be refunded in full.

- SLV reserves the right to charge any registered team a late cancellation penalty fee of \$500, in addition to already collected fees, for a team entry cancelled within 30 days of the tournament, which will also jeopardize future attendance.
- SLV, LLC, its officers, employees and staff will not be responsible for expenses incurred by any team, club or organization if the tournament is canceled in whole or in part. The event, along with local/venue officials reserves the right to decide on all matters pertaining to the operation of the tournament and its judgment is final.

**4. COMPETITION OVERVIEW, HAZARDOUS WEATHER, AND REAL-TIME DECISION-MAKING**

Summit Lacrosse Ventures will use its best effort to ensure that each registered team plays the number of games established in the tournament schedule. In the best interests of participant safety, the tournament facilities, and inherent weather-related risks associated with lacrosse tournaments, SLV reserves the right to postpone or cancel games due to hazardous conditions. In this case, SLV will do everything possible to reschedule (either on the same date, or a future date). Ultimately, SLV is not responsible for venue conditions related to weather, force majeure, or other events beyond its control, and refunds will not be issued for game time missed due to events beyond SLV's control. In the event that a team does not appear for a scheduled game, tournament staff will assist in trying to arrange a replacement game, but cannot reasonably guarantee that a replacement game will be provided. Teams that do not show up for scheduled games will be subject to disqualification from current and/or future tournaments.

In the interest of ensuring participant safety and the appropriate use of the fields and facilities, Summit Lacrosse Ventures reserves the right to postpone, cancel, or shorten games due to hazardous conditions. Rules governing play are consistent with NCAA rules with regard to lightning and extreme weather. The call for game delays will come from event management staff. If a staff member or referee sees lightning, it is to be reported over the radio; game delay decisions are not the responsibility of staff or referees. If lightning or hazardous weather is detected, the following mandatory procedures will be implemented. Should any participants choose not to comply with SLV's weather protocol, they do so at their own risk.

- Once hazardous conditions are imminent , an air horn will sound multiple times, indicating that the field area must be evacuated. All staff and tournament participants (players, spectators, staff, vendors) are to evacuate the playing field and related areas and go to their vehicles for safety for approximately 30 minutes from when the last hazardous condition is detected. All tournament activities, to include vendors are to cease operation. No participants are to return to the fields until a second series of horn blasts is heard, or upon notification by a Director. No one is allowed back into the playing field area until officials have determined that it is safe to resume play.
- Participants are to remain in their cars, and, in the event of weather, are not to leave the venue until tournament directors have confirmed that play will not resume.
- Secured tents and equipment can be left at the fields until the storm delay is over;
- Once the hazard clears, a horn blast will denote when it is safe to resume play;
- If a weather-related evacuation occurs during the 1st half, teams will return to play the 2nd half of the game, weather permitting. If the evacuation occurs during the second half, the game MAY pick-up where it left off (weather permitting), OR the game MAY be terminated, and the score recorded as is. If the score differential is equal to or greater than 6, regardless of time remaining, the game may be terminated.
- Tournament officials will make every effort to “make-up” time, but the schedule may be delayed up to the duration of the suspension of play;
- Please be advised that for all issues effecting game play (e.g.- field/goal conditions, schedules, seeding/reseeding, playoffs, weather-related play halts/restarts, etc.), official information and decisions can only be obtained from tournament Directors, who are located at the tournament headquarters. Please do not request or expect formal information from score keepers, referees, grounds keepers, parking staff, or security personnel.
- In addition to being available at the tournament headquarters, tournament Directors will first and foremost utilize the tournament social media, website, and email/mobile phones in an emergency, to communicate information pertinent to game play.
- It is ultimately the team's on-site representative's responsibility to seek out and obtain correct and timely information that affects their team's play from the tournament Directors. This above signifies the need for teams to COMPLETELY fill out registration material, including contact information for on-site team representatives.
- Hazardous conditions are out of the control of tournament directors. Every effort will be made to facilitate fair and maximum play, with safety as the principal factor. SLV is not responsible for venue conditions related to weather, force majeure, or other events beyond its control.

**5. FACILITY RULES**

All attendees (coaches, players, and spectators) are required to abide by the SLV Facility ([CLICK HERE](#)), and/or as indicated on site by signage, tournament staff, officials, or representatives. There will be zero tolerance of behavior that is inconsistent with the SLV Terms and Conditions, the Summit Lacrosse Society Code of Conduct, or the tournament facility rules. Summit Lacrosse Ventures reserves the right to expel any violating parties from the event and its sites. All attendees are to abide by tournament rules and State/Federal law. Any suspicious activity should be reported to tournament directors and/or authorities. Any and all personal property brought to an Event Venue is the sole responsibility of its owner; specifically, any tent or temporary structure brought on site must be sufficiently secured and able to sustain any elements, weather or otherwise, that may pose a risk to the facility and/or other attendees. Tournament directors and officials reserve the right to request that any unsafe structure be taken down/removed at their discretion. Any personal property found at

the facility will be held at tournament headquarters for the duration of the event. **7. PROOF OF AGE & ELIGIBILITY**

Summit Lacrosse Ventures values honesty and trust among its participants and will largely rely upon the honorable behavior of participating teams with regard to the eligibility of its players. All players are responsible for having valid proof of age on hand. Teams and players violating divisional age requirements are subject to forfeiture and disqualification.

**Scholastic: Youth-High School**

- The vast majority of players should meet both the “U” and graduation year criteria. In the event that a player does not meet both criteria, they must meet the graduation year criteria to participate.
- Further, to participate in a high school tournament, a student athlete must not have graduated from high school, and therefore must have remaining high school eligibility, to exclude post-secondary (post-graduate) education.
- SLV makes every effort to facilitate and promote fair and safe competition. Burden is on the player, guardian, and coach to be aware of and in compliance with published eligibility guidelines/restrictions. SLV reserves the right to disqualify any player who is determined ineligible.

**8. ONLINE REGISTRATION & ROSTERS & WAIVER AND RELEASE OF LIABILITY**

All team registration is paperless and must be completed online, including payment of the tournament entry fee. **Once a team is registered, all players must individually register online.** Player registration instructions will be provided. In registering for the tournament, the team coach/manager/representative agrees to comply with all terms, to include the requirement that each player individually register online. During this process, each player will complete and electronically sign the tournament waiver and medical release. **Note that the roster for each team will be automatically developed based on individual player registrations. No player will be permitted to participate without completion of the registration process.**

All teams are required to fulfill tournament roster, waiver, and check-in procedures. All players must complete the online registration and waiver process in advance of participation. SLV relies on the responsibility of each team's coach/manager/representative to ensure the eligibility of each player. SLV is not responsible for teams and/or players who do not comply with this process, and any team that does not follow protocol is subject to forfeiture of any/all games.

## **9. PLAYING ON MORE THAN ONE TEAM**

***For the sake of competition, and the experience of all attending teams, teams are required to fulfill their commitment to field a team for every scheduled game in the tournament.*** Should a player choose to play on more than one team, and should a coach accept a player who is committed to more than one team, the following rules apply:

- No player is permitted to play for more than one team in any single age division, without explicit approval from SLV, in advance of the tournament.
- Though not encouraged, players may play in multiple age divisions, so long as they are age eligible for each division they play in. This does not permit a player to play in multiple levels (i.e. Gold and Silver) within the same age division.
- Should a player choose to “double roster”, they must appear on both rosters from the beginning of the tournament.
- Teams that are dependent upon players who are playing in multiple divisions are strongly discouraged; SLV is not responsible for schedule conflicts caused as a result.
- Teams who do not fulfill their commitment to field a team for every scheduled game, are subject to forfeiture of invitation to next year’s tournament.

- 12. PUBLICITY RELEASE:** I understand that Summit Lacrosse Ventures LLC retains the right to use for publicity and advertising purposes, photographs of participants taken during hosted tournaments and events. SLV does not divulge customer information to any organization or event participant.

All participants are required to sign a waiver to participate in an SLV event, with knowledge of the associated risks of participation. By doing so, said participant assumes the risks associated with participation in the event.

**13. SUMMIT LACROSSE VENTURES PARTICIPANT WAIVER & RELEASE OF LIABILITY**

I am choosing to participate in a Summit Lacrosse Ventures LLC (SLV) Event. I understand that lacrosse is a strenuous, fast-paced game involving physical contact with inherent dangers, and when played within the bounds of the rules, can result in serious injury, paralysis and even death. I assume all the risks of such injury and even death, inherent in the game of lacrosse. I will inspect the fields that I will play, coach, work, and/or spectate on, and confirm them to be in such a condition that there are no dangers visible to me; if I do see dangerous conditions on the field, I will notify Event organizers immediately.

I acknowledge and recognize that SLV, the entity that sponsors the Event, does not and cannot control the conduct of players and that their conduct is controlled to the extent of the rules of the game by the discretionary calls of lacrosse officials. I also acknowledge that there are dangers inherent in spectating and being present at the Event site. Lacrosse balls can travel at speeds in excess of 100 mph and cannot be confined to the fields. I assume the risk of injury from being struck by lacrosse balls. I also understand that players do not and sometimes cannot stop running or avoid being pushed outside of the lines of the field of play. I have been told and I recognize that it is dangerous to sit or stand within five (5) yards of the sideline of any field and in areas designated and marked as off limits. I agree not to sit or stand within five (5) yards of the sideline of any field or in any areas designated and marked as off limits except when I am playing or preparing to play. While spectating, I agree not to sit or stand within five (5) yards of the sideline of any field or area designated or marked as off limits.

I represent that I am outfitted with equipment that meets NCAA and/or USL specifications relevant to play, i.e., helmet, gloves, arm pads, goggles. I am aware that there are greater dangers if I do not use such equipment, and I assume all associated risk.

SLV makes every effort, both in preparation and on-site, to consider the general safety of Event venues and its attendees. There are inherent risks associated with attending a sporting event; attendees (to include spectators) agree to be present and spectate at their own risk. Should the Event offer transport shuttles, or other amenities, attendees understand that shuttles are an optional courtesy convenience; utilization is at-will, and to be exercised at passengers' own risk.

I agree to advise any family member or guest who accompanies me to the Event about the dangers of spectating or being present on the grounds and that it is important that they be extra vigilant about the above dangers and take precaution. I recognize that the Event organizers will rely upon my agreement to do so.

I further understand that it is recommended that I consult with a physician prior to participating in physical activity such as lacrosse. I do hereby declare myself to be physically sound and suffering from no condition, impairment, disease, infirmity, or other illness that would prevent or impair my participation in any of the activities of the SLV Event. I do hereby acknowledge that I have been informed that a physician's approval prior to my voluntary participation in the Event is recommended. I acknowledge that I have either had a physical examination and have been given my physician's permission to participate, or that I have decided to participate without the approval of my physician, and do hereby assume all responsibility for my actions and physical conditions arising from any participation in the SLV Event. I acknowledge that SLV reserves the right to deny participation if it is deemed by the medical staff that my participation could cause further harm to myself, or to others.

SLV makes every effort to facilitate and promote fair and safe competition. Burden is on the player, guardian, and coach to be aware of and in compliance with published terms and conditions, and eligibility guidelines/restrictions. SLV is not responsible for, but reserves the right to disqualify any team and/or player who is determined ineligible.

I assume all risks and on behalf of myself and my heirs and assigns waive, release and forever discharge Summit Lacrosse Ventures LLC and its officers, shareholders, agents, employees, contractors, affiliates, sponsors, volunteers, representatives, Event Venues, and all others associated therewith from any and all responsibilities or liability for injuries or damages resulting from my participation in and/or attendance at the SLV Event, including, but not limited to, the games, my preparation for the games, spectating, staff duties/activities, being present at any meetings and social events, and agree not to sue them.

I agree to indemnify and defend the releasees and hold them harmless from any and all claims, suits, causes of action and damages of any kind caused by, or resulting or arising from, my participation in or attendance at the Event, including, but not limited to, damages to the property of, or injury or death to, the releasees, the undersigned or anyone else.

I hereby give my consent to Summit Lacrosse Ventures LLC to provide, through a medical staff of its choice, customary athletic training attention, as well as arranging for transportation to medical facilities/hospitals and/or emergency medical services as the medical staff deems warranted in the course of my participation in the SLV Event.

I have read and agree to all terms of the event, to include the Summit Lacrosse Society, especially with regard to my responsibilities as a participant. My signature certifies that I understand and accept the conditions required for the Summit Lacrosse Ventures Event.
