

Informed Consent and Release of Liability Relating to COVID-19

ACKNOWLEDGEMENT OF RISK & CONSENT TO PARTICIPATE

The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. COVID-19 is extremely contagious and is believed to spread mainly from person-to-person contact. As a result, federal, state, and local governments and federal and state health agencies recommend social distancing and have, in many locations, prohibited the congregation of groups of people.

Fullerton Hills Girls Softball League ("the League") has put in place preventative measures to possibly reduce the spread of COVID-19; however, the League cannot guarantee that either you or your child(ren) will not become infected with COVID-19. Further, attending events held by the League could increase your risk and your child(ren)'s risk of contracting and/or being exposed to COVID-19.

I acknowledge that all individuals should measure their body temperature to ensure that no fever is present prior to participating or attending each League activity.

I acknowledge that anyone with symptoms of fever, cough, or worsening respiratory symptoms, or any known exposure to a person with COVID-19 should not attend any League activity until cleared by a medical professional.

I acknowledge that any individual, including players, at risk for severe illness or with serious underlying medical or respiratory condition should only attend League activities with permission from a medical professional.
