

Bayshore Resort is a great place for hockey teams to stay while traveling to Traverse City.

Our hotel is in the perfect location for players and their whole families! We are less than a mile from Howe Arena and only minutes from Centre Ice. We also are located directly on our own private beach while still being only a few blocks from the center of downtown with all of its entertainment and dining options!

We have a large indoor pool, whirl pool, 24-hour fitness center, and a video arcade room to entertain everybody in between games. We also have laundry machines available for guest use for washing any and all sporting gear in between games.

We know how important a hearty breakfast is each morning for athletes so we offer a **complimentary deluxe continental breakfast everyday** from 6am-10am. Our breakfast includes hot and cold items such as omelets, sausage patties, homemade waffles, pancakes, cereals, breakfast breads and pastries, juices, coffees, a large variety of fresh fruit and more.

Starting November 6<sup>th</sup> - April, Bayshore Resort would like to offer an exclusive group rate for hockey team families.

Rate:

Hockey Team Rate
\$89.00/night +tax

*\*Rate is based on double occupancy*

This Hockey rate is a run-of-house rate that includes **one suite** as well! When available, we are more than happy to provide a **hospitality room** for our teams so please ask about one at the time of booking.

We look forward to hearing from you soon,  
*Bayshore Resort*
