2023 Academy League Referee Handbook

Updated 3/15/2023
The 2023 USL Referee Handbook denotes all rules and procedures that must be followed by clubs participating in the USL Academy during the 2023 League.

Compliance with these rules and procedures is paramount to the successful operation of the USL Academy League events and participating clubs. Failure to comply with the rules and procedures set forth in the Competition Manual will result in the application of discipline from the league. Please note that all fines and suspensions listed henceforth are minimums. The League has absolute discretion to render any disciplinary actions if deemed necessary, beyond those minimums upon review of the case-by-case circumstances.

Rule 204 – Playing Season
Purposely omitted

Rule 205 – Point System
The USL Academy League will operate under the following competition standings point system:

<table>

<tr>
<th>Result</th>

<tr>
<td>Win</td>
<td>3</td>
</tr>
<tr>

Rule 206 – Standings and Tiebreakers
USL ACADEMY is responsible for keeping the official LEAGUE standings. These are tabulated on a regular basis, displayed on the USL ACADEMY website, and/or distributed to all clubs. Final LEAGUE standings will be displayed using points-per-game to dictate placement, with the following tiebreakers used as needed.

The following guidelines will be used to implement USL ACADEMY tiebreakers for all ties involving three or more teams:
1. The tiebreaker will determine the winner first.
2. The tiebreaker will continue within the same category to determine if other ties can be broken.

Breaking Ties in the LEAGUE and FINALS Standings – The breaking of ties in the final standings and League Finals is accomplished by applying the following criteria, in order of importance:
1. Total points in Head-to-Head record in LEAGUE/FINALS games. (A, B)
2. Goal difference in LEAGUE/FINALS games. If number of games is unequal, the Game Average (C) will be used.
3. Total wins in LEAGUE/FINALS games. (C)
4. Goals scored in LEAGUE/FINALS games. (C)
5. Goals conceded in LEAGUE/FINALS games. (C)
6. FIFA Fair Play – Team with fewest disciplinary points in LEAGUE/FINALS games. (If number of games is unequal, points will be divided by games played to arrive at a common basis for comparison.)

7. Lottery conducted by USL ACADEMY.

A. LEAGUE games refer solely to games that count towards the regular season standings. Open Cup specific games are not “LEAGUE games” when it comes to determining placement in the LEAGUE standings. (When using these criteria as tiebreakers for Open Cup groups, “LEAGUE games” should be interpreted as only games that count toward Open Cup group standings.)

B. Should more than two (2) teams involved have played each other an unequal number of times, this tiebreaker will be skipped.

C. Game Average = Tie Breaker / number of games played (i.e., goals scored / number of games played).

Wild Card Tie Breaker
Division winners for each Academy LEAGUE division shall automatically qualify for the USL Academy League Finals, provided they have met the minimum considerations outlined in Rule 209. If there are an odd number of division winners, an additional position will be awarded to the 2nd best Regional Division CLUB based on Points per Game with a minimum of two seasons played and at least 12 Official League games played. Should there be additional tiebreakers needed, the following will take effect:

1. Goal difference in LEAGUE games
2. Total wins in LEAGUE games
3. Goals scored in LEAGUE games
4. Goals conceded in LEAGUE games
5. FIFA Fair Play – Team with fewest disciplinary points in LEAGUE games. (If number of games is unequal, points will be divided by games played to arrive at a common basis for comparison.)
6. Lottery conducted by USL ACADEMY.

A. Game Average = Tie Breaker / number of games played (i.e., goals scored / number of games played).

Should the LEAGUE decide to allow more than one Wild Card winner entry into the Playoff Division of the postseason tournament, there will not be more than one Wild Card per LEAGUE Division entered.

FINALS
During FINALS, on the final day of the event, Playoff Bracket Placement games ending in a tie after regulation will play two 10-minute extra-time periods. If the match still remains tied after the extra-time periods, FIFA kicks from the mark (penalty kicks) will determine the winner.

Rule 207 – Awards
Purposely omitted

Rule 208 – Substitutions
Substitutions are allowed at any stoppage, but Clubs will have three “moments” to use their allotted substitutions. Injury substitutions will count as a moment if the injured player is unfit to return to the game. Substitutes made during the half time break do not count as a moment. Examples of moments, Concussion Substitutes, and Additional Substitutes may be found in the USL Pre-Professional Substitution Protocol document.
In games where extra-time is needed to decide a winner, substitutions made during the break between the end of regulation time and the beginning of extra-time, as well as substitutions during half-time of extra-time, do not count as a moment. Teams may make substitutions during this stoppage, provided they have not used all (7) of their allowed substitutes. Teams may use any leftover moments during Extra-time that were not used during regulation time (Ex. Team has used [2] moments during the initial 90-minute regulation time. The team may make use of their final moment during the time between the kick-off of extra-time and the conclusion of extra-time.)

Substitutes shall report to the Fourth Official or Field Marshal at midfield and may not enter the field without permission of the referee. Teams may make a maximum of (7) substitutions per game with no re-entry across (3) moments.

Goalkeeper Substitution
The goalkeeper may change places with a field player as long as the referee is informed of the change and the change is made during a stoppage in the match. Note: Delay or time wasting is not acceptable during the exchange process. The match should not be held up to allow for a complete change of equipment by either player.

Head Injury Substitution
Following extensive consultation related to finding ways to improve the in-game management of possible neurological head injuries in football matches, the BoD has taken careful note of the recommendations from meetings of both The IFAB Football and Technical Advisory Panels and the Concussion Expert Group (which consists of medical concussion experts, team doctors, players/coaches, and refereeing and legal/Laws of the Game experts).

Based on these recommendations, the BoD strongly agrees that, where there is any suspicion about a player having been concussed, the player should be protected by being “permanently” removed from the match and to facilitate this, the player's team should not suffer a numerical disadvantage as a result of prioritizing the player's welfare. USL Academy has taken the recommendations of the groups above to set standards for Head Injury Substitutions. This rule is subject to change during the season pending updated recommendations based on the health and safety of the players. Updates will be communicated to CLUBs should they occur.

Principles
- Each team is permitted to use a maximum of two “concussion substitutes” in a match.
- A “concussion substitution” may be made regardless of the number of substitutes or moments already used.
- Concussion substitutions are permanent – not temporary.
- In competitions in which the number of named substitutes is the same as the maximum number of substitutes that can be used, the “concussion substitute” can be a player who has previously been substituted.
  - A player that has previously been substituted may only re-enter the field if all other substitutes have been used.
  - Exception: If the only remaining substitutes who have not entered the field are Overage players, and using them would violate the maximum of (3) Overage players on the field at one time, then the “concussion substitute” must be a youth player who has previously been substituted. The Head Injury Substitution rule shall not allow for more than (3) Overage Players on the field at once.
When a “concussion substitute” is used, the opposing team then has the option of using an “additional” substitute.

- The Additional Substitute may only be used if all other substitutes or moments have been exhausted, unless it is made concurrently with the “concussion substitution.”
- The Additional Substitute may be a re-entering player only if all other substitutes have been used, or if the only available substitutes would violate the Overage player rule, as mentioned above.
- The Additional Substitute moment does not allow for “normal” substitutions to occur concurrently.
  - Ex. A team has used all (3) substitution moments and has used (5) out of (7) available substitutes. The team has an Additional Substitute available. When making the Additional Substitute, the team must send on one of the (2) players that have not played yet. The team cannot also send on their final player who has not played yet as a “normal” substitute.

**Procedure**

The substitution procedure operates in accordance with Law 3 – The Players (except as outlined otherwise below).

- A “concussion substitution” may be made:
  - immediately after a concussion occurs or is suspected;
  - after an initial three-minute on-field assessment, and/or after an off-field assessment; or
  - at any other time when a concussion occurs or is suspected (including when a player has previously been assessed and has returned to the field of play).
- If a team decides to make a “concussion substitution,” the referee/fourth official is informed, ideally by using a substitution card/form of a different color. In the USL Academy, Head Injury Substitutions will be pink.
- The injured player is not permitted to take any further part in the match (including kicks from the penalty mark) and should, where possible, be accompanied to the changing room and/or a medical facility.
- The opposing team is informed by the referee/fourth official that it now has the option of using an “additional” substitute.
- This option may be used concurrently with the “concussion substitution” made by the opposing team or at any time thereafter (except as outlined otherwise by the Laws of the Game). This substitute will not count towards the 3 moments, but it must be a player that has not previously been on the field. If all of the available substitutes have been on the field, the player may re-enter.
- If a team decides to make an “Additional substitution,” the referee/fourth official is informed, ideally by using a substitution card/form of a different color. In the USL Academy, Additional Substitutions will be blue.

**Substitution opportunities**

- Making a “concussion substitution” is separate from any limit on the number of “normal” substitution opportunities.
- However, if a team makes a “normal” substitution at the same time as a “concussion substitution”, this will count as one of its “normal” substitution opportunities and require a moment.

**Substitution Passes**

 *(FINE 208 - $25)*
Each team is provided USL ACADEMY substitution passes for use during league games. Seven (7) substitution passes, two (2) Head Injury substitution passes, two (2) Additional substitution passes, and five (5) Overage substitution passes should be provided to the home team and visiting team coaches. White substitution passes shall indicate normal substitution procedures. Pink substitution passes shall indicate a head injury sub. Blue substitution passes shall indicate an additional sub (opposing team during head injury substitution). Green substitution passes shall indicate an Overage Player is entering the field.

**Rule 209 – Competition Format**
Purposely omitted

**Rule 210 – Game Lengths**
Each USL Academy League Match will consist of two (2), forty-five (45) minute halves. Each half will be separated by a fifteen (15) minute halftime. FINALS matches will consist of two (2), thirty-five (35) minute halves, separated by a fifteen (15) minute halftime.

If the game is tied at the end of regulation during the regular season and group play during FINALS, the final score will remain a tie. During FINALS, on the final day of the event, Playoff Bracket Placement games ending in a tie after regulation will play two 10-minute extra-time periods. If the match still remains tied after the extra-time periods, FIFA kicks from the mark (penalty kicks) will determine the winner.

**Official Time**
Official time will be kept on the field by the referee. The amount of stoppage time in each half will be conveyed by the Referee to the Fourth Official or Assistant Referee. The Fourth Official/Assistant Referee will then display the appropriate time left in the match.

**Rule 211 – Eligibility**
All players and coaches must present their digital match roster to the referee prior to each game. If the individual’s picture is not on the digital match roster, the individual will not be eligible for the game. Passes from any other league are not accepted for USL Academy League games, no exceptions.

**Rule 212 – Incomplete Games**
In the event a game cannot continue through full regulation time, the game will only count if one-half of the game was completed. If a game is suspended prior to the expiration of the first half due to inclement weather or extenuating circumstances, it will resume within 24 hours (or some other date/time agreed upon by the competing teams and the LEAGUE office) starting at the same minute that the game was originally suspended and with the same score.

**Rule 213 – Team Arrivals and Departures**
Purposely omitted

**Rule 214 – Game Rescheduling**
Once final schedules have been submitted to the LEAGUE office by the CLUB, all subsequent schedule changes must be approved by the LEAGUE office and the opposing team. A team cannot change more than 50% of its originally scheduled matches during the regular season. Changes will not be processed unless a new date is provided and no changes will be accepted within 7 days of a game except under special circumstances to include: weather,
State Cup, and health-related issues. CLUB requesting a change within the 7-day window due to exceptional circumstances, as defined in the published league procedures, must pay referees within 7 days of the originally scheduled date. If payment is not made to the referees, the club will forfeit the payment from its security bond. Clubs will have 7 days to submit payment to Referees. A violation of this rule will result in a $50 fine. Approved game changes with new dates are subject to a fee of $35. Approval solely by e-mail outside of MOD11 is not acceptable. A violation of this rule will result in a fine of $50.00 USD. Clubs must consider the Play-to-Rest Ratio when attempting any reschedules.

**Rule 215 – Game Delays and Postponements**

In the case of a game delay, the Home Team shall immediately communicate the delay, via phone, to their LEAGUE Manager. The LEAGUE Manager shall distribute Emergency Game Day Contact Numbers to all teams prior to the start of the season. It is imperative that the rules and procedures of this section are explicitly followed in determining whether to delay, postpone, or cancel a game. If the kickoff is delayed because the visiting team arrived late, the visiting team shall be fined in accordance with league standards. The home team, in consultation with the LEAGUE Managers and referees, shall determine the start time for any delays in excess of twenty (20) minutes.

**Restart**

Once a delay has ended, the match shall resume from the moment the referee stopped the match. Teams shall be given a chance to warm-up prior to restarting the match. The following are recommended warm-up times based on the length of the delay (coaches may agree to a different time, to be approved by the LEAGUE)

A. 10 minute delay, 5 minute warm-up  
B. 10 to 30 minute delay, 10 minute warm-up  
C. 30 to 60 minute delay, 15 minute warm-up  
D. Over 60 minute delay, 20 minute warm-up

**Canceling/Postponing a Game Prior to Start**

A game may be postponed no earlier than two hours prior to kickoff due to inclement weather, or situations considered Acts of God, unless agreed to by both teams and the LEAGUE. Exception: In a case where a third party (stadium/facility owner) closes a stadium, a game may be canceled more than two hours prior to kickoff, provided the LEAGUE and both teams are notified in writing by the stadium owner/managing authority.

**Authority to Delay or Postpone a Game**

Once in process, a USL Academy game may only be delayed or postponed due to:

A. A lack of preparedness of one or both teams to begin playing a game OR  
B. Unfavorable weather or other adverse conditions beyond the control of the participating teams, which would make the playing of the game impractical or dangerous. Only the referee and USL Academy staff have the authority to delay or postpone a scheduled USL Academy match. The referee, upon arrival at the facility/field, has the final word on delays due to weather.

**Grace Period before Abandoning a Game**

Unless both teams, the Referee, and USL ACADEMY agree to an alternate plan, teams must wait a minimum of one (1) hour before abandoning a game that has been delayed regardless of circumstances. This is not an aggregate time for multiple delays but rather one (1) hour from the time of the most recent delay. The Home Team, in the presence of the Referee, must immediately notify the LEAGUE Manager via phone, of any postponement issues. The one-
hour grace period may be extended, up to a maximum of three (3) hours from the time the match is delayed if there is a likelihood of resuming the match that day. Given the difficulty and cost of rescheduling, every attempt should be made to continue the game. The LEAGUE Manager has the final say on the length of the extended grace period due to weather. **A match may not be abandoned before the LEAGUE Manager is contacted.** If the LEAGUE Manager or another USL ACADEMY official is unavailable, the Referee shall be the final authority. If the first game of a doubleheader has been delayed, the feasibility of completing the second game will be taken into account when determining an extended grace period. In the event a delay lasts longer than three continuous hours or would resume play after 12:00 AM local time, the LEAGUE has final say on the length of the extended grace period due to weather.

**Game Cancellation/Postponement Criteria**

Unless otherwise approved by the USL Academy, game cancellations/postponements should occur only in the most serious circumstances; however, the personal safety of participants, personnel, and the spectators must always be highest priority. Factors that the referee and USL Academy shall consider include but are not limited to: difficulty in rescheduling the game, current and forecasted weather conditions, travel conditions and the current whereabouts and availability of teams and officials.

**Advanced Preparation (Lightning)**

Teams must take the following steps prior to season to prepare for severe weather. These guidelines must be developed in coordination with the venue and submitted to the league office no later than February 1st. The Advanced Preparation plan must include the facility’s radius in which the field of play is deemed un-safe to play. Also, it will need to include the length of time that is required to wait after the most recent lightning strike.

**Before Officials Arrive at Venue**

In the event a match is to be terminated less than 12 hours prior to kick off due to unforeseen problems, the home team shall immediately contact its LEAGUE Manager to expedite the communication process to assigned referees. The USL ACADEMY Referee Department will then notify the designated official at the National Federation, who will in turn make every effort to notify the referees of the change. It is imperative that all contact numbers for referees be available to the National Federation for such situations. Please contact the National Federation designee before departing for the match if uncertain of the match’s status and if there is reason to believe there may be a postponement due to inclement weather.

**Referee “No Show”**

In the event the assigned referee crew does not arrive at least one (1) hour before the scheduled kickoff time, the Home Team should immediately contact their LEAGUE Manager. Should none of the assigned referees be present at the official kickoff time, the teams must wait a minimum of one (1) hour before the possibility of postponement is considered. Again, no game may be abandoned or postponed due to lack of referees until at least one (1) hour has passed since kickoff. After one (1) hour from the original kickoff time has elapsed, the LEAGUE Manager will make a decision as to whether the match should be postponed and rescheduled, or further time should be allowed (only in the event of referees on their way to the venue). Active and certified Federation referees must be used as replacements in order for the match to be deemed official. Prior to sending replacements, USL ACADEMY and the respective Federation will determine on a case-by-case basis whether the substitute referees are of sufficient experience and ability to handle the match. Under no circumstances will the replacement referees have less than State or Provincial certification.
**Incomplete Game**
In the event a game cannot be completed, the game counts if the entire 1st half was completed. If any match is suspended prior to the completion of the 1st half due to inclement weather or extenuating circumstances, it will resume at a date/time agreed to by the competing teams in consultation with USL ACADEMY and will start in the same minute in which the match was suspended. Every effort must be made to resume the match within the next twenty-four (24) hours. If the game is resumed after the 24-hour period has passed, either team may have a maximum of three (3) changes to their Official Game Day Lineup sheet. Any changes to the lineup on the field, after any of the three (3) changes to the Official Game Day Lineup sheet are made, count towards the substitution allotment. USL ACADEMY reserves the right to declare a full replay at its discretion in order to protect the integrity of the competition.

**Termination Procedures for FINALS Placement Matches**
If the match is tied, the first half is completed, the one hour waiting period is fulfilled and there must be a winner to advance, then the following will occur:

- **Regulation:** If terminated during regulation, the match will be resumed at the next possible opportunity and played to completion beginning from when the play was stopped in the second half and will conclude at either seventy (70) minutes or within extra-time, followed by FIFA Kicks from the Mark if necessary.
- **Extra-time:** If terminated during extra-time, the match will resume at the minute that the match was terminated, followed by FIFA Kicks from the Mark if necessary.
- **Back-to-back:** If the teams are scheduled to play the following day, then the match will resume the next morning, starting with the overtime period, followed by Kicks from the Mark, if necessary.

*USL, at its sole discretion, reserves the right to continue any playoff match starting immediately with extra-time and FIFA Kicks from the Mark, taking into account travel and field circumstances as well as any other pertinent information. Every attempt will be made to decide the result on the field of play.

**Rescheduling a Postponed Game**
Any postponed game must be rescheduled within seventy-two (72) hours of the original date of the game and must be replayed no later than the second to last weekend of the regular season (Spring, Summer, Fall).

**Rescheduling Considerations**
USL ACADEMY shall have the authority to review all the facts, (including fault on the part of either team, unavoidable conditions, expense for both teams, and requests by a team to take a particular action in the best interests of USL ACADEMY and its teams) in determining whether and when a game shall be rescheduled, who should bear the financial burden as a result of cancellation or rescheduling, whether the game should be forfeited or cancelled permanently, and whether other fines should be levied. The integrity of the LEAGUE and the Home Team schedule shall be given considerable weight in the resolution of these matters. Unless the sanction or remedy is set forth specifically in any USL ACADEMY rules or regulations, USL ACADEMY shall decide what action to take, and its decision shall be final.

**Written Explanation of Postponement**
Whenever a game is postponed or canceled, the LEAGUE must receive within 48 hours of postponement or cancellation, a written notice of why the game was not completed or played, including, if necessary, and a statement from the owner of the Venue / playing facility.
**Venues Clearances are Final**
Once a team has approved its individual schedule and the LEAGUE Schedules are officially released, the LEAGUE will not automatically accept a postponement or cancellation of a game because a Venue is no longer available. It is the Home Team’s responsibility to find a league-acceptable alternate venue, if necessary, on the originally scheduled date.

**Rule 215 – Forfeits**
Should any team associated with the CLUB fail to appear at a scheduled USL Academy game, the CLUB shall incur a forfeit fee of $600 per incident. Other penalties for forfeits are as follows:

A. A 3-0 win to the opposing team.
B. The team that forfeits may be precluded from participating in any future USL Academy League events, per LEAGUE review and at the LEAGUE’s discretion.
C. The CLUB must send full fees to each referee assigned to the game within seven (7) business days.
D. The LEAGUE will have the discretion to remove any teams for not complying with the LEAGUE schedule.

A team unable to attend a scheduled game because of an accident or weather should immediately notify the opponent, the LEAGUE office, and the referees via telephone or E-Mail. Each situation will be reviewed by the LEAGUE office, which shall render a decision that may be appealed through LEAGUE RAD procedures (refer to Review, Appeals & Discipline section of the manual).

**Non-Performance by the Home Team**
In the event the visiting team is present at the venue and willing and/or able to perform, but the home team is unwilling and/or unable to provide a venue or fails to show at the scheduled venue and time, all Forfeit penalties as previously listed apply, in addition to compensation to opponent as set forth below:

- Compensation will be outlined by limited to expenses submitted by the LEAGUE. Visiting team may not seek additional compensation.

**Non-Performance by the Visiting Team**
In the event the home team is present at the venue and willing and/or able to perform, but the visiting team is unwilling and/or unable to provide a venue or fails to show at the scheduled venue and time, all Forfeit penalties as previously listed apply, in addition to compensation to opponent as set forth below:

- Compensation will be outlined by limited to expenses submitted by the LEAGUE. Visiting team may not seek additional compensation.

**Non-Performance by Both Teams**
In the event neither team is prepared to commence the playing of a game at the scheduled kickoff time or does not complete such game, and the game is not played to a conclusion that day, USL ACADEMY may cancel the game, or declare the game a Forfeit by both teams with applicable Forfeit penalties enforced as previously listed.

**Rule 216 – Liability**
CLUBs within the LEAGUE assume all risks, responsibilities, and liabilities for loss, damage, injury or death while using property and facilities during games in the LEAGUE, whether such loss, damage, injury or death be occasioned by the team or by the LEAGUE, its officers, agents or otherwise.
**Rule 217 – Referees**

**Assignment**

Match Officials will be assigned in cooperation and coordination with the United States Soccer Federation’s Referee Department, or any other respective national and local assignors as applicable. Academy League Games shall have a Referee, AR1, AR2, and 4th official. In the event that a 4th Official cannot be assigned, the game shall proceed without one.

**Payment**

In LEAGUE matches, referee fees will be paid via direct deposit in the Demosphere platform. Payments will be processed every two weeks during the season. Teams must submit required referee fees at least two weeks prior to the start of the season. The pay scale for referees is listed below:

<table>

In FINALS matches, referees will be paid by the LEAGUE. Teams are not required to provide payment to referees during FINALS.

The fees for officiating games are set by LEAGUE, and subject to regular review. Referees, Assistant Referees, and 4th Officials are eligible to be compensated for services if they:

- Arrive at the proper time and perform assigned services.
- Review game report for completion and accuracy followed by submitting a digital match report through MOD11 as outlined in the referee handbook.
- Complete the Minimum Standards Form submission via Microsoft Forms link. The home club shall provide a copy of the Minimum Standards Form upon arrival.

- Arrive at the proper time and either of the competing clubs fails to appear for the game.
- Perform assigned services, but for some reason, the game is not completed.

**Expense Reports**

Referees are not eligible for travel expense reimbursement in USL Academy.

**Nonpayment of Referee Fees & Expenses**

All teams, professional and amateur, are under a strict requirement to pay officials within seven days following a match for matches changed within the 7-day window. Officials must notify the appropriate LEAGUE Manager in the event of non-payment and/or any payment(s) that are returned from a bank.

**Technology**

The use of technology (Ex. Communication Headsets) is prohibited. However, league-approved referees will be allowed to use technology in certain, league-approved matches, such as during FINALS. LEAGUE will discuss the
use of technology with the referee crew prior to team check-in, should LEAGUE decide to allow the use of technology during that specific match.
300 – Discipline and Conduct

Rule 301 – Disciplinary Authority
The USL Academy shall have the authority to suspend, fine, or disqualify players, team officials or competing clubs for violating LEAGUE rules or for any action or conduct not in the best interest of soccer or the USL Academy. The USL Academy hands down any final decision on a breach of rules. CLUB and its players must abide by all decisions of game officials during games. Once the USL Academy Disciplinary Committee has conducted its review of disciplinary matter, all announcements of the Committee’s decisions shall be coordinated through the USL Academy.

A sending off will result in a minimum of a one (1) game suspension. The Disciplinary Committee at the LEAGUE office will determine if further punishment is required. The LEAGUE will only act in contravention of a referee’s ruling on the field when a play, or the consequences of a play, are of an egregious or exceptional nature OR in circumstances where the referee did not see the play in question and the LEAGUE has sufficient and convincing evidence that a serious infraction occurred. CLUBs cannot appeal a single game suspension for a red card unless the player noted to have received the red card was not the offending player. CLUB can appeal any additional suspension levied by the LEAGUE.

Rule 302 – USL Academy Disciplinary Committee
A panel of individuals from the LEAGUE office shall conduct the review of disciplinary issues. Such a panel will consist of at least three (3) people on the USL staff, one of which includes the senior LEAGUE Director.

The USL ACADEMY Disciplinary Committee is charged with the responsibility to enforce the playing rules and allow for a competitive, but fair, environment for all teams to compete against each other. To ensure that this element is provided to our participants, USL ACADEMY examines Player and Coach behavior and monitors referee performance to make certain that the on-field product of USL ACADEMY competition is of the most entertaining and attractive possible. A panel of at least three USL ACADEMY staff members, consisting of the pertinent senior LEAGUE Manager, Technical Director, and Referee Operations Manager, shall conduct the review of critical disciplinary issues. An alternate LEAGUE Manager may be utilized in the event any of the three members above are unable to participate.

USL Academy Technical Committee
In the event that the decision of the USL ACADEMY Disciplinary Panel’s ruling is challenged, by way of formal appeal the USL ACADEMY Technical Committee will review the appeal. The USL ACADEMY Technical Committee is comprised of four LEAGUE appointed members, consisting of a representative from each of the Four (4) Conferences. This panel is charged with the responsibility of reviewing any disciplinary matters deemed worthy of increased disciplinary measures (i.e., escalating a yellow card to a red card). The committee also has the ability to review disciplinary matters deemed worthy of mitigation (i.e., reducing an established minimum suspension length). When an appeal has been submitted in a particular conference, the three (3) members of the panel will review the appeal, excluding any bias from the members of the conference in which the appeal was submitted (Ex. Appeal submitted from a team in the Eastern conference, the Western, Central and Southern Panel members will review the appeal) Any disciplinary decisions rendered by the USL ACADEMY Technical Committee will be final and cannot be appealed. A unanimous decision must be reached in order for any discipline to be altered by the Panel.
Disciplinary Process

USL ACADEMY disciplinary issues (including all send-offs) reported by the Referee shall be reviewed by the three-person USL ACADEMY Disciplinary Panel (a panel of at least three members of USL ACADEMY LEAGUE Management) via match videos, official reports, individual accounts, and other pertinent information. Depending on the timeliness of the reports and match videos, the Panel will make every effort to rule on all cases from the preceding week and issue these rulings by Wednesday of each week.

Every disciplinary incident (send-offs) shall be reviewed individually to ensure that players are not over-penalized, either by the number of matches served or fines. USL ACADEMY has the authority and reserves the right to levy additional suspensions or fines (above the minimum for that type of infraction) if a review of the incident warrants such action.

The USL ACADEMY Disciplinary Panel shall only act in contravention of a referee's ruling on the field when a play, or the consequences of a play, are of an egregious or exceptional nature OR in circumstances where the referee did not see the play in question and USL ACADEMY has sufficient and convincing evidence that a serious infraction occurred.

Rule 303 – Serving Suspensions During Regional/National USL Academy Events

Any player and/or coach sent off/dismissed during a USL Academy League game will be suspended from the next USL Academy League game. Any player or coach serving a suspension must not be listed on the 18-Man Game Day Roster. If a player receives a red card in the final game of a regional or national event, the suspension will carry over to the following season. The USL Academy Disciplinary Committee reserves the right to assess further or limited penalties depending on the severity of the incident. The infractions below will result in the following minimum suspension lengths and fines:

- Violent Conduct – Two (2) Games Minimum
- Spitting – Four (4) Games Minimum, $150 Fine
- Biting – Five (5) Games Minimum, $250 Fine
- Fighting – Six (6) Games Minimum
- Referee Abuse – Three (3) Games Minimum, $150 Fine
- Referee Assault – Three (3) Months Minimum, $500 Fine
- Zero-Tolerance Policy Violation - Five (5) Games Minimum, $500 Fine

Any player who is suspended from a match in any USL ACADEMY event will serve their suspension in accordance with the LEAGUE in which the suspension occurred. USL Academy competitions are treated under the same LEAGUE. Should the player be loaned or transferred between LEAGUEs within the USL ACADEMY, the suspension will become the amount of time that must elapse until the player is once again eligible to play in the LEAGUE in which the suspension was received.

Examples

- Player X, suspended for one USL Academy League match, is loaned to a USL Professional club. Player X is not permitted to play for either team until the day following the date of the match that they are suspended for in USL Academy League.
• Player Y is suspended in the final match of the USL Academy Cup. Player Y is to serve the suspension at the next available USL Academy competition in which they are registered and rostered for. If they are playing in USL Academy League, it will be the first League match they are approved for. If they do not play in USL Academy competitions until the following USL Academy Cup, they will be suspended for the first match of that Cup.

• Player Z is on loan to USL Academy from the USL Professional club and is sent off. The player’s loan expires, and they return to their original club without serving a USL Academy suspension. Player Z will not be permitted to play in a USL Professional match until the day following the date of the match that they are suspended in the USL Academy. Fines will be assessed according to the LEAGUE in which you were sent off, not LEAGUE in which the player is registered.

**Rule 304 – Suspension Parameters & Restrictions**

Any coach, medical staff, player, or bench personnel is prohibited from assuming any official duty at or near the team bench while serving a suspension. Any athletic trainer sent off during a match may only return to the field at the request of the Referee in the event of an emergency.

Coaches serving suspensions are allowed to communicate with players pre-game and postgame only. Suspended coaches may NOT communicate with the team at half-time. Suspended coaches must NOT be on the field during warm-ups and may NOT stand or in any way be in close proximity to the field of play. Following a game, a coach serving a suspension may communicate with their team, but must NOT be in or around the field of play. Any infringement of this rule may result in the forfeiture of the game and will include discipline for each infraction.

**Rule 305 – Extending a Suspension**

In any case the USL Academy reserves the right to impose suspensions beyond any of these parameters for offenses deemed to be particularly violent and against the spirit of the game. This can be imposed regardless of whether a dismissal occurred.

**Rule 306 – League Disciplinary Point System**

USL ACADEMY has the authority to discipline players, coaches, and/or team personnel based upon the USL ACADEMY disciplinary regulations in accordance with FIFA and the respective National Federation.

**Penalty Points**

All cautions/yellow cards will account for one (1) point and send-offs/red cards will account for two (2) points. Any player receiving two cautions in one match, which results in a send-off, will receive one (1) point for the first caution and one (1) point for the resulting send-off for a total of two (2) points. Any player receiving one caution and one red card in a match, which results in a send-off, will receive one (1) point for the caution and two (2) points for the send-off for a total of three (3) points. Send-offs/red card suspensions must be served the following game in which the team participates.

**Team Penalty Point Accumulation**

The accumulation of player and coach penalty points above the league specified number in any one season will result in a fine. (50) points will result in a $750 fine.

**Rule 307 – Caution and Send-Off Accumulation**

**Player Caution Accumulation**
For logistical and administrative purposes, players exceeding the caution accumulation penalty point plateau(s) will serve their suspension immediately. USL ACADEMY also reserves the right to re-evaluate player accumulation plateaus for player eligibility rulings, including FINALS, with the reserved power to postpone suspensions to the following season.

Players receiving two cautions in the same match will only have one caution count toward their season accumulation.

Players accumulating the following number of caution/yellow cards throughout the LEAGUE will be sanctioned as follows:

**USL ACADEMY**
- 7 cautions - one (1) game suspension
- 10 total cautions - two (2) game suspension
- 2nd suspension by one player - $50 fine

**Coach/Staff Send-Off Accumulation**
Any coach accumulating the following number of ejections, will be suspended and fined as the following:
- 1st Sendoff, coach will serve a one (1) game suspension and will be fined a minimum of $100
- 2nd Sendoff, coach will serve a one (1) game suspension and will be fined a minimum of $200
- 3rd Sendoff, coach will serve a two (2) game suspension and will be fined a minimum of $300. Fine can increase by LEAGUE Office.

**Accumulation during FINALS**
Send-Offs: A player and/or coach that is sent off during the FINALS will be suspended from the team’s next FINALS game, unless the season is over, in which case the suspension will be served in the team’s first USL Academy competition the following season. A player and/or coach may miss the Championship match due to sending off.

**Rule 308 – Major Game Misconduct**
In addition to those penalties set forth above, major fines or suspensions, at the sole and absolute discretion of the USL Academy Disciplinary Committee, shall be levied against players (whether or not they were awarded a card by the Referee), coaches or other team staff for conduct including but not limited to: fighting, provoking a fight, criticizing Game Officials with words or gestures, entering the Game Officials changing area or tent, physical contact with Game Officials separate from Referee Assault, using excessive force, deliberate attempts to injure, spitting, provoking crowd disorders, profane language that can be heard by the crowd, obscene gestures, throwing items in the technical area, racist, homophobic, or derogatory comments, improper conduct during the national anthem, taunting, abuse of spectators and others, failure to leave the field when instructed by the Referee to do so, improper conduct following the award of a card, excessive delay tactics, excessive and obvious feigning of injuries, or other unsportsmanlike conduct detrimental to the USL Academy and the sport of Soccer in general.

**Rule 309 – Game Officials Assault or Abuse**
In addition to enforcing the mandatory sanctions from USSF Policy 531-9, the USL Academy may impose additional fines and/or suspensions.
A. Referee Assault – Referee assault is defined as any player, coach, or team staff member committing an intentional act of physical violence on a member of the referee crew. For the purposes of this rule, the guidelines outlined by USSF Policy 531-9 Section 3.3 will be followed. Referee Assault shall include, but is not limited to: spitting, striking, kicking, choking, grabbing, bodily running into, kicking or throwing an object at an official, or damaging the referee’s uniform or personal property.

B. Referee Abuse – Referee abuse is defined as any player, coach, or team staff member threatening a member of the referee crew through a physical at or verbal statement, either explicitly or implicitly. For the purposes of this rule, the guidelines outlined by USSF Policy 531-9 Section 3.4 will be followed. Referee abuse shall include but is not limited to: verbal and nonverbal communications that contains foul or abusive language implying or directly threatening physical harm or spitting a beverage on or at a referee crew member or a referee crew member’s personal property.

Rule 310 – Player/Coach Behavior Before or After Caution or Sending-Off
Players and coaches are advised that both encouragement of a caution, send-off and/or dismissal as well as dispute and protest or mass confrontation, including but not limited to charging/surrounding the Referee to complain, causing unnecessary delay in the restart of the game, and excessive shouting or verbal or physical dissent is deemed to be a serious offense worthy of a fine/suspension on its own. Referees have been advised to report such behavior to the LEAGUE.

Rule 311 – The USL Academy’s Discretionary Power on Suspensions
The USL Academy may, at its discretion, rule a specific game shall not count toward the completion of a suspension, if satisfied the game has been purposely arranged by the club with a view toward enabling the player in question to complete his suspension at a specific time in order to qualify him to play in another specific game.

Rule 312 – USSF Fine for Serious Incidents
The U.S. Soccer Federation has the power to impose discipline for any incident bringing the game into disrepute within the LEAGUE.

Rule 313 – Zero-Tolerance Policy
The United Soccer League has a zero-tolerance policy related to any form of harassment or discrimination on or off the field. Such actions are against the values of the USL, and the league has the absolute authority to institute punitive measures for any language, actions, or demonstrations deemed to be in violation of this policy. This policy includes, but is not limited to, language, actions, or demonstrations based on an individual or group’s:

- Race
- Religion
- Sexual Orientation
- National Origin
- Gender
- Political Views
- Disability
- Age

Any violation of this policy should be immediately reported to the USL Compliance Department:
compliance@uslsoccer.com
Rule 314 – Disparaging Comments
Players, coaches, and team officials may not disparage referees, referee decisions, league disciplinary decisions or the league in the team press releases in quotes provided to the media. Fines will be levied accordingly based on the nature, severity, and context of the comments made. Suspensions could also be levied for very serious comments.

Rule 315 – SafeSport Reporting
All adults participating in the USL are obligated to report any instance or allegation of child abuse or sexual misconduct. This includes any employee, board member, registered player, coaches, referee or administrators, or anyone authorized by a member to have regular contact with minors. Participants are required to report any instance or allegation “as soon as possible,” defined as, “within a 24-hour period,” to the Center for SafeSport and to Law Enforcement if the allegation is of child abuse. An allegation means any “good faith claims or assertion” that a potential violation has occurred.

In addition to the two entities above, participants should report all SafeSport issues to both the USL League Office and to the Federation. Note that clubs must notify the Center for SafeSport and Law Enforcement to satisfy SafeSport reporting requirements.

How to Report
The U.S. Center for SafeSport (includes ability to make an anonymous report):
http://uscenterforsafesport.org/report-a-concern/ or by calling (833) 587-7233
U.S Soccer: https://ussoccer.i-sight.com/portal or by calling (312) 528-7004
USL Safeguarding: uslsafeguarding@uslsoccer.com

For additional background, the U.S. Center for SafeSport defines child abuse as any “physical or mental injury, sexual abuse or exploitation, or negligent treatment of a child.” Further, sexual misconduct is defined as “(a) any sexual or gender-related harassment, (b) any non-consensual sexual contact or attempt at non-consensual sexual contact, or (c) sexual exploitation, including but not limited to unauthorized recording or photography and the unauthorized dissemination of images or recordings of private sexual activity.”

The message is clear: if you suspect Child Abuse, report it to law enforcement immediately.
400 – Conduct of Teams

Rule 401 – Intentional Throwing of Games
Agreeing or promising to lose a game is in strict violation of LEAGUE rules. Any CLUB or personnel associated with a CLUB who agrees to lose, attempts to lose, or otherwise adversely affects the outcome of any game with which he/she is or may be in any way associated, or who shall solicit or attempt to induce any player or other person associated with a member CLUB to lose, attempt to lose, or otherwise adversely affect the outcome of any soccer game, will be immediately declared ineligible and may be subject to expulsion from the LEAGUE.

Likewise, any person from a member CLUB that is solicited to commit or has knowledge of any of the foregoing acts and fails to inform the LEAGUE office immediately of all facts and circumstances connected with the solicitation shall be declared by the LEAGUE to be permanently ineligible and may be subject to suspension and expulsion from the LEAGUE.

In addition, each team shall select two contrasting colors for the goalkeeper kits. Rule 507 – Game Day Video
(FINE 507 – Below)
All home teams are required to film each game from a high-angled camera with audio positioned at midfield on the opposite side of the technical area so that team benches, field boards, and the 4th Official can be seen visibly. If the sun is angled so that the match footage will not be visible from that angle, the camera may be positioned at midfield on the side of the field with the technical areas. The League recommends a Veo camera, although other equipment can be utilized given it meets the standards outlined below. The home team must upload the game video to their MODI11 game report within forty-eight (48) hours after the completion of the game. If the home team does not produce the video to the USL ACADEMY within this time frame the below sanctions are applicable:

After each half, a wide-angle shot should be used to follow the game officials (and all players if also possible) off the playing field until they are no longer visible to the camera. Only at this point, and not before, should the camera go to the scoreboard for the final score. In the event of any altercation, the camera should follow the incident until its conclusion with a wide-angle shot. Filming should occur from the midfield position. After all goals, the post-goal celebration should be followed using a wide-angle shot. There is no need to show the scoreboard at any time other than the conclusion of each half after the players/officials have left the field. A running clock counter should be displayable at the bottom of the screen indicating the amount of time elapsed since the first half kick-off. Section 2 – Registration Procedures and Roster Regulations

Purposely omitted.
Section 3 – USL Academy Review, Appeals & Discipline
Purposely omitted.
Section 4 – Player Insurance & Insurance Claims

Purposely omitted.
Section 5 – Code of Conduct

FIFA Code of Conduct
The LEAGUE will follow FIFA’s Code of Conduct. It is just as important for parents and fans to know the Code of Conduct as it is the players and coaches. It is important that every player on the field understands this Code of Conduct before competing in their first match.

FIFA’s Code of Conduct encapsulates all the sporting, moral and ethical principles for which FIFA has always stood for and which it will continue to fight for in the future regardless of the influences and pressures that may be brought to bear. The ten rules below not only serve as a credo for FIFA as the world football governing body, but they also reinforce the sense of fraternity and cooperation among the members of the worldwide football family.

1. Play to Win
Winning is the object of playing any game. Never set out to lose. If you do not play to win, you are cheating your opponents, deceiving those who are watching, and also fooling yourself. Never give up against stronger opponents but never relent against weaker ones. It is an insult to any opponent to play at less than full strength. Play to win, until the final whistle.

2. Play Fair
Winning is without value if victory has been achieved unfairly or dishonestly. Cheating is easy, but brings no pleasure. Playing fair requires courage and character. It is also more satisfying. Fair Play always has its reward, even when the game is lost. Playing fair earns you respect, while cheaters are detested. Remember: It’s only a game. Games are pointless unless played fairly.

3. Observe the Laws of the Game
All games need rules to guide them. Without rules, there would be chaos. The rules of football are simple and easy to learn. Make an effort to learn them so that you understand the game better. This makes you a better player or coach. It is just as important to understand the spirit of the rules. They are designed to make the game fun to play and fun to watch. By sticking to the rules, you will enjoy the game more.

4. Respect Opponents, Teammates, Referees, Officials and Spectators
Fair Play means respect. Without opponents there can be no game. They have the same rights as you have, including the right to be respected. Your teammates are your colleagues. You form a team in which all members are equal. Referees are there to maintain discipline and Fair Play. Always accept their decisions without arguing and help them to help you enjoy the game more. Officials are also part of the game and must be respected accordingly. Spectators give the game atmosphere. They want to see the game played fairly, but must also behave fairly themselves.

5. Accept Defeat with Dignity
Nobody wins all the time. You win some, you lose some. Learn to lose graciously. Don’t seek excuses for defeat. Genuine reasons will always be self-evident. Congratulate the winners with good grace. Don’t blame the referee or anyone else. Determine to do better next time. Good losers earn more respect than bad winners.

6. Promote the Interests of Football
Football is the world's greatest game. But it always needs your help to keep it as Number One. Think of football's interests before your own. Think how your actions may affect the image of the game. Talk about the positive things in the game. Encourage other people to watch it or play it fairly. Help others to get as much fun from football as you do. Be an ambassador for the game.

7. Reject Corruption, Drugs, Racism, Violence and other dangers to our sport. Football's huge popularity sometimes makes it vulnerable to negative outside interests. Watch out for attempts to tempt you into cheating or using drugs. Drugs have no place in football or in our society. Say no to drugs. Help kick racism out of football. Treat all players and everyone else equally, regardless of their skin color or origin. Show that football does not want violence, even from your own fans. Football is sport, and sport is peace.

8. Help Others to Resist Corruptive Pressures
You may hear that teammates or other people you know are being tempted to cheat in some way. They need your help. Don't hesitate to stand by them. Give them the strength to resist. Remind them of their commitment to their teammates and to the game itself. Form a block of solidarity like a solid defense on the field of play.

9. Denounce those who Attempt to Discredit our Sport
Don't be ashamed to show up anybody who you are sure is trying to make others cheat. It's better to expose them and have them removed before they can do any damage. It often takes more courage to denounce what is wrong than to go along with a dishonest plan. Your honesty will be admired but your complicity will not. Don't just say no. Denounce the culprits who are trying to spoil our sport before they can persuade somebody else to say yes.

10. Honor those who Defend Football's Good Reputation
The good name of football has survived because the vast majority of people who love the game are honest and fair. Sometimes somebody does something exceptional that deserves our special recognition. They should be honored, and their fine example made public. This encourages others to act in the same way. Help promote football's image by publicizing its good deed.
