NOTE: If a pitcher reaches his per-day or per-tournament limit in the middle of an at-bat, he shall be allowed to finish pitching to the current batter, and shall be removed from the game following the at-bat. Additional pitches thrown in that at-bat past the per-day limit will count toward the pitcher's weekend total.

VIOLATION of pitches thrown restrictions will result in the disqualification of the team for the remainder of the tournament. Teams must keep track of pitches thrown by each pitcher during each game and verify with the opposing coach and umpire at the previously specified times and again immediately following the game. Coaches are also responsible for verifying the number of pitches thrown with the tournament director, who will keep a running total throughout the tournament.
