TRYOUTS, ALL NEW FOR THIS YEAR

Team Genuis Software: *Designed for the Modern Youth Sports Organization*

- Evaluators will be using mobile devices or tablets for data entry
- All scores will be stored securely online
- Will make for more efficient tryouts, evaluation and player development
- Easily integrates with SportsEngine (current software used by THA)
- Will be able to share branded feedback report cards after evaluations so your players can identify strengths and areas for improvement
