

Board Meeting 11/16/2022

Treasurer's Report:

Season kicked off

As always we can't have a season start without some excitement and stress.

- 15 8U players registered- 12 consistently showing, 2 playing with 8U. Could use more help in LTP.
- A few new players not ready for 10U are practicing with 8U in hopes they progress well enough for 10U quickly.
- Jersey dilemma of not having enough of the right sizes for 10U and 12U. Resolved after some hard work from Heather and Ethan.
- New socks ordered for all 3 teams.
- *Tanya is skating with teams Thursdays for half an hour, but each 8U group only gets 10-15 minutes with her. Looking to have all the 8U skate with her at once, or increase our time with her somehow. Is 10/12 getting what they wanted out of Tanya?

Coaching/Registrar

- 1 coach had his background check come back flagged due to an OUI. They are still "investigating" him so he has not cleared to help yet and has not been practicing.
- Rosters are submitted with MEAHA. Declaring 10U for State Tournament participation at December MEAHA Meeting.

Registrations: 47 total

LTP - 15 registered

8U - 15 registered

10U - 16 registered

12U - 16 registered

Signs picked up or need to be picked up now that snow is flying.

Bill Orton Fund

- Mumford player was granted scholarship, though now will no longer be able to play for the season. David Mumford is asking for a refund of his fees paid. \$350.09 paid to date

Jersey dilemma- It took all summer, March to November to get jerseys from Gunn's, then the numbers were wrong. Sponsorship bars to be sewn on soon.

Looking into sublimated jerseys next year from other local dealers such as Beauty Uni's. Will need to determine at a later date how many jerseys, what size, will players purchase jerseys with their name on them?

Total Jersey sizes			
Y M	5	A S	4
Y L	3	A M	9
Y XL	5	A L	12
		A XL	2
Total 40
