

# Help with a Helmet

## Orono Football Boosters\*

### Goals

Replace up to 25 helmets for use beginning with the 2018 season.

Reduce Coach Weiland's financial burden of purchasing the helmets through traditional funding.

Provide quality, well fitted helmets for participating players.

This is not a requirement for participation in the Orono Football Program

**Eligibility:** All high school football players (grades 9-12) registered for the 2018 season

### Participation Guidelines

Requires \$325 to \$475 purchase of a helmet. After your son has completed his senior year of football, you will then donate the helmet to the Orono Football Boosters.

Your player can retain the helmet during the off-season that does not correspond with a reconditioning year.

Helmets must be donated ("willed back") to the Orono Football Program to be considered a charitable contribution\*. The donation amount is determined by the model selected at the time of participation.

Riddell and Schutt models will be available.

Players will have a choice of several facemasks to personalize their helmet.

A helmet representative will be present for the measurement and fitting clinic to ensure the proper fit of your player's helmet and mask.

**Fitting clinic date: July 23 (Riddell) or July 24 (Schutt), 2018, 5:30-6:30 PM in the Stadium**

To be reconditioned the helmets must be in Coach Weiland's storage room. Helmets purchased in 2018 will require reconditioning after the 2020 season.

### Membership

Participation qualifies the donor for membership with the Orono Football Boosters and will be combined with any additional 2018 Booster fund raising activities for recognition levels.

\*Orono Football Boosters is a 501(c) 3 tax exempt organization. The information on taxation is not and cannot be taken as tax advice. Your personal circumstances will determine your tax obligations.
