

34th Annual Poynette Fastpitch Jamboree
May 3-4, 2019

Special Rules and Guidelines
Wisconsin's Largest High School Fastpitch Event

47 teams in 2019 playing 59 total games

Special Notes: We will once again be using the 3-inning, 15-run rule. However, we are also guaranteeing that a game will last 75 minutes. That means that if there is a 15-run differential or more, that game will still be played out until the 75 minutes is up. If three innings have been completed in 75 minutes and the run differential is 15 runs, the game is over. We need to keep the event on time.

There will be a 100 minute time limit on all games (except for the special rule noted above).

We will also use the international tie-breaker after 7 innings or 100 minutes have been completed.

All Games will start 10-15 minutes after the previous game is complete. There will be no infield practice prior to any games. Teams may hit ground balls outside the foul lines on the infields where possible.

Contact Bob Tomlinson immediately with concerns or issues.

The start time on Saturday is 9:00 a.m. with two hour time slots to allow for short travel and diamond restoration.
