

Sports Day Important Information

Weather Cancellations

Sports Day will only be canceled for **severe weather** (such as serious flooding). Rain or cold alone will not cancel the event. If Sports Day is canceled, you will receive an **email and Remind text by 6:30 a.m.** If no message is sent, Sports Day is happening as planned.

Student Pick-Up

Pick-up time is **11:30–11:40 a.m.** Please arrive on time. Important announcements may be shared during closing remarks.

Please park in **designated parking spaces**, come inside to pick up your child(ren), and watch for other families as you leave.

If you are running late, call **Stacy at 346-414-8087.**

If someone other than a parent or grandparent is picking up your child, please notify us in advance.

A **\$10 late fee** may apply for students not picked up by **12:00 p.m.** without prior notice.

If you need to pick up your child early, please **sign them out at the First Aid Station.**

First Aid & Medications

All students must have a **signed medical release form.**

Students with asthma should bring their medication in a **labeled Ziplock bag** and leave it at First Aid. All medications must be picked up at the end of Sports Day.

Thank you for helping Sports Day run smoothly for everyone!

Communication

Email is our **primary form of communication** for HCYA and Sports Day. Your email address is kept **strictly confidential** and is never shared. Please notify **Stacy** if your email changes during the year.

We also strongly recommend signing up for **text alerts through our GroupMe chat.** Texts will be used sparingly—for example, for **Sports Day cancellations or lost & found notices.** You'll receive a sign-up link after registration and in your confirmation email.
