100+ PLAYERS IN COLLEGE

PROVEN PATHWAYS TO COLLEGE LACROSSE

Since our founding, Sentry Lacrosse has helped guide over 100 Texas-based athletes through the college recruiting process—earning a reputation as one of the most effective and accomplished programs in the region.

Unlike other organizations that partner with out-of-state programs and claim credit for athletes who've never lived or trained in Texas, every player we've supported has come directly through our Texas-based system. Our success is built on authentic relationships, consistent development, and a deep commitment to the athletes and families we serve.

When you include our national partner, Madlax—a powerhouse program that has helped over 500 players reach the NCAA level—we've collectively supported more than 600 athletes in achieving their goal of playing college lacrosse.

100+ TOURNAMENT CHAMPIONSHIPS

A TRADITION OF WINNING

Since 2011, Sentry Lacrosse and our Dallas-based teams have captured over 100 championships, earning titles at both local and national events.

Our teams have won at some of the most prestigious tournaments in the country, including:

- Crab Feast (Maryland)
- Young guns (Maryland)
- Naptown Challenge (Maryland)
- Madlax Capital Classic (Maryland)
- Long Island Classic (New York)
- Florida Lacrosse Cup (Florida)
- NXT Cup (Philadelphia)
- Park City Shootout (Utah)
- Western Invitational (Utha)
- Vail Shootout (Colorado)
- Denver Shootout (Colorado)
- Lake Tahoe (California)

Through our partnership with Madlax, our national program has achieved even greater success—amassing 500+ championships at some of the most competitive and highly respected events in the U.S.

Together, Sentry and Madlax aren't just competing—we're raising the bar and setting the standard for excellence in club lacrosse.

PRACTICES

MORE REPS - MORE GROWTH - MORE COMMITMENT

LEADING TEXAS IN PLAYER DEVELOPMENT SINCE 2011

At Sentry Lacrosse, we are proud to have logged more practice hours than any other club program in Texas since 2011. While a few programs came close this past year, we've recalibrated—and we're ready to raise the bar once again. As long as club lacrosse exists in Texas, no one will outwork Sentry. We remain fully committed to leading the state in total training time.

Why does that matter? Because practice is the only proven path to real improvement. There is no magic formula for becoming a great player. Skill development comes through proper coaching, consistent effort, and relentless repetition. At Sentry, we don't just believe in hard work—we build our entire program around it.

We also recognize that, at times, parents and players may get caught up in things like field conditions or other surface-level details. But ask yourself this:

Have you ever heard a Hall of Famer in any sport blame the field?

Champions don't make excuses. They show up, compete, and get better—regardless of the circumstances.

At Sentry, we do our best to under-promise and over-deliver when it comes to providing opportunities for our players to improve.

TOURNAMENTS

MAXIMIZING OPPORTUNITY WITH PURPOSE AND BALANCE

YOUR EXPERIENCE MATTERS

At Sentry Lacrosse, we're committed to providing meaningful tournament experiences that support both player development and team growth. While we are open to attending as many tournaments as our families are interested in, we also prioritize consistency and fairness across all teams.

Each team is guaranteed a set number of tournaments per season, which are included in your program fees. Any events beyond this are considered optional "extra" tournaments.

Because each age group has different roster sizes, needs, and skill levels, we evaluate every potential tournament carefully. Our top priority is ensuring we have a full and competitive roster before committing to any additional event. If enough players register, we'll move forward. If not, we'll withdraw and issue a full refund to those who signed up —no questions asked.

Our ultimate goal is to play in as many quality tournaments as possible, giving players every chance to grow, compete, and enjoy the full experience of club lacrosse. At the same time, we recognize the financial and scheduling demands these events can bring, particularly for younger families. That's why we strive to maintain the right balance between opportunity and practicality.

NATIONAL EXPOSURE

BEST TOURNAMENTS PLAYERS IN THE COUNTRY

ELITE PLAYERS • PREMIER TOURNAMENTS • PROVEN RESULTS

Madlax Nationals is one of the premier lacrosse programs in the country—and a proud partner of Sentry Lacrosse. Together, Madlax and Sentry have helped over 600 athletes achieve their dream of playing NCAA lacrosse across all divisions, while winning championships at many of the nation's top premier tournaments.

Select players from Sentry will have the opportunity to compete in the biggest and most prestigious tournaments in the country as part of the Madlax Supreme teams.

Additionally, players may be invited to join the USA Alliance teams—elite rosters made up of top athletes from all Madlax partner programs across the country.

DEDICATED EXPERTS IN PLAYER DEVELOPMENT & COLLEGE RECRUITING GUIDANCE

AT SENTRY LACROSSE, OUR PRIMARY GOAL IS TO DEVELOP COMPLETE ATHLETES BY ENHANCING THEIR FUNDAMENTAL SKILLS, LACROSSE IQ, AND OVERALL ATHLETICISM.

- We are deeply committed to the growth and development of our players both on and off the field, helping them become confident, high-performing individuals who can excel at the highest levels of the sport.
- Our training model is built to deliver targeted, age-specific instruction. Every Sentry team follows a unified system of calls, sets, and offensive/defensive concepts, ensuring consistency and continuity across all levels of play.
- We invest in our coaching staff by providing cutting-edge tools and technology that support modern training methods and elevate the athlete experience.

FIELDS

ELITE ENVIRONMENTS BUILT FOR PLAYER DEVELOPMENT

NOTHING BUT THE BEST

This season, Sentry Lacrosse is proud to train at some of the best athletic facilities in the Dallas–Fort Worth area, ensuring our athletes have access to premier environments year-round.

- Parish Episcopal School will serve as our primary practice location, offering one of the most advanced athletic complexes in the region.
- We'll also utilize The Lax Barn, a state-of-the-art indoor training facility, ideal for sessions during the winter and periods with limited daylight.
- To ensure flexibility and consistency, Northaven Park will be available as a supplemental field when needed.

Our goal is simple: provide every Sentry athlete with consistent, high-quality training environments—so that weather, time of year, or field access never stand in the way of development and preparation.

WALL BALL TEST

At Sentry Lacrosse, we implement a mandatory Wall Ball Test for every age level. This test allows us to objectively challenge players within their grade and accurately track progress from the start of the season to the end.

We believe the wall is one of the best tools for developing a great lacrosse player—and when used properly, it can have a lasting impact on a player's career. The Sentry Wall Ball Test is designed to encourage discipline, repetition, and self-improvement. With a little hard work and dedication, players can achieve their target scores and experience the satisfaction that comes with mastering a skill.

This type of structured, progressive wall ball challenge is unique to our program and reflects our commitment to player development through consistent fundamentals.
