Spring Season

With a turn towards warmer weather our Spring seasons are underway for Recreational and Travel. Our Recreational program is U5 through U18. All games for U12 and below are played at the CASA Soccer Complex at George Park. U14 and older Recreational teams have away games at nearby soccer clubs. Don't forget that we are offering our diRECT (Drills and Instruction for REcreational Training) on Tuesday, Wednesday, and Thursday evenings for our U6 to U8 age groups. This is a great way for your Recreational team to train with the assistance of our Pro coaches! Good luck to all teams in the Spring!

Little Ballers

This Spring we are hosting our first Little Ballers program! This is a co-ed program for 2019 and 2020 birth years that serves as a fun-filled introduction to soccer. The sessions are specifically designed for children that want a FUN and UPBEAT environment to GROW. Players will get comfortable having the soccer ball at their feet, while using their imagination.

While this session sold out, don't worry, we will be having another program in the Fall!
