

Paradise Minor Baseball

April 27, 2020

Good Day,

I hope everyone is doing well during these difficult times. The Covid-19 outbreak has changed all of our day to day activities, and has postponed all of our minor baseball programs. The Paradise Minor Baseball Executive have continued to meet online over the past number of weeks. We are continuing to monitor updates from Baseball NL & from Government officials in regard to the resumption of activity. We are continuing to plan and prepare for whatever a potential baseball season will look like. As more information becomes available we will let you know.

Paradise Minor Baseball has decided to offer online registration starting May 1st and ending May 31st. No fees will be collected at this time, we are simply collecting information for interested coaches, jersey sizing, and the total number of registered players. The registration fee will be collected when we determine when there will be baseball this season and you will be contacted at such time. All fees must be paid prior to the start of the season.

If you have any questions, please feel free to contact any member of the Executive. Stay safe, I hope to see you all at the field this summer.

Sincerely,

Craig Walker
President
