**Format:** Due to having 11 teams, we will be using a cross pool format with two pools of 3 and one pool 5. Teams seeding within their pool will be determined by matches won, set winning percentage, and points differential. If those do not decide the result, a coin flip will be used as a last resort. Silver and Gold will be 4 team playoff brackets, the Bronze will be played as a 3 team pool format to determine final placement.

**Concessions:** Concessions is our main fundraiser and we appreciate the support of the concession stand. There will be plenty of healthy items available. The Greyhound Volleyball Booster Club is providing complimentary food and water for coaches and officials. Please keep in mind that food is not allowed in the gym. Absolutely NO electrical appliances will be allowed.
