 - b) Treasurer Report – Judy Krebs
 - Tournament checks mailed? Yes. 14/15's not in Minnetonka (check was too late). Now they are registered for Owatonna the same weekend (check was mailed, not confirmed)
 - Updates Banking issue: no other bank that Judy talked to charges to count cash. She called Bremer and told her if they are going to continue to charge us, we will move our accounts. To avoid the charge we can deposit into savings and then transfer to checking. Or after we get charged a fee, Judy can call and it will be reversed.
 - Cd's have different lengths and interest rates. Judy can't find a local bank that has a high yield savings account.
 - Online accounts are another option
 - Thought: Keep account at Bremer. Deposit cash into savings to avoid fees. Take some money from savings and put into high yield online savings account. Or find another bank that has locations in IGH and by Judy. Maybe one that is involved in the community and would sponsor IGHBA.
