

Play Ball Hawks

The Carver Community Youth Baseball & Softball Association will be teaming up with the Chaska Baseball Association for youth travel baseball! Together with Chaska High School's varsity baseball coach, Craig Baumann, we hope to establish a larger and more competitive youth program, which will eventually feed to the Chaska High School program. Coach Baumann and his staff will perform evaluations this fall at tryouts for the 2022 travel baseball season. Registration and tryout information will be available www.playballhawks.com within the next few weeks for 9U-12U teams.

Soar Hawk!
