

Spring League 2024

For girls in 4th-8th Grade in the Hudson School District

REGISTER EARLY!

Register at www.croixattack.org beginning January 13, 2024.

Season Fee: \$235 (*plus approx. \$10 SportsEngine registration fees*)

IMPORTANT TO KNOW -

Online Registration Opens – Saturday, January 13, 2024, at 8am

Register at www.croixattack.org. Please be sure your daughter is registered correctly using the current grade for the 2023-24 school year. Similar to prior years, we do need to limit the total number of players so it is critical to register early.

Registration Closes – Wednesday, January 31, 2024, at midnight OR earlier if the player capacity is met.

Families will be able to be added to a waiting list by emailing the Spring League email – HUDSONVOLLEYBALLWI@GMAIL.COM.

Practices – Scheduled to begin the week of March 24 through May 11, 2024 (*2-90 min practices per week*)

Note: Practices vary each week based on gym availability and could be scheduled on any day of the week except Saturdays (which are playdates).

Playdates – Teams will be scheduled for 4 Saturday playdates between April 6-May 11, 2024. In addition to regular playdates, grades 7/8th will have the opportunity to also play in the LCT (League Championship Tourney) on May 11, 2024.

Pre-Season Prep Sessions – New in 2024!

Players that are already registered for Spring League 2024, will be eligible to participate in a 2 session series to get ready for the upcoming season. Session 1 will focus on all skill areas of volleyball and Session 2 will build on the first session. This opportunity is optional for all registered spring families for an additional fee of \$25 to cover facilities and coaching fees. Exact session dates will be confirmed once registration closes and teams are confirmed. This will be a separate registration.

Placement Clinic - Tentative

Girls currently in 4th and 5th grade do **NOT** participate in a placement clinic and will automatically be placed on teams. If it is determined that we need a Placement Clinic for any of the 6, 7 or 8th grade teams, players will be notified by email. The Placement Clinic is NOT a tryout and the intent is to place players together who have similar skill sets. Details will be provided via email and posted at www.CroixAttack.org.

Please continue to watch www.croixattack.org for the most current information.

SPRING LEAGUE 2024 PARENT LETTER

2024 Spring Volleyball Parents –

HVA will again be offering a Spring League season for all girls in 4th-8th grade residing in the Hudson School District. Unlike our competitive Croix Attack JO Program, Spring League is for skill development & all girls are placed on a team who are registered on time.

Registration & Fees

Spring League is open to all girls who are currently in 4th through 8th grade residing in the Hudson School District. Because girls are guaranteed a spot, the entire season fee of \$235 (plus approx. \$10 SportsEngine fees) will be due when you register online via Visa, Mastercard, or Discover. (*Fee covers: t-shirt, gym space, league fees, insurance, coaches pay, & HVA operating expenses related to Spring League*). Because of how funds are allocated, there will be no refunds unless your player is unable to be placed on a team.

Due to limits on host locations for play dates & wanting to ensure player development & playtime for all participants, registrations will again be limited this year; thus, it is highly recommended that you register early as registration will close upon reaching capacity.

Online registration will be open from 8am on Saturday, January 13, 2024 through midnight on Wednesday, January 31, 2024 (or earlier if player capacity is met). Make sure to register for the correct grade as we cannot guarantee placement on a team if you register for the wrong grade. Registration information (link and forms) will be posted on the home page at www.croixattack.org. There are absolutely no walk-in registrations.

All players are required to print and complete a WIVL Medical Consent Form (all other required forms will be part of the electronic registration). Girls will not be able to attend practice or participate in any preseason session or placement clinic without the completed medical release form and copies will NOT be available. This form will be available to download when you register & will also be posted on our website. We are not able to accept emailed forms. Parents are NOT allowed in the school during any placement clinics. **Completed Medical Consent Forms can be brought to the preseason session or placement clinic, but MUST be received before practices begin.** Forms can also be mailed to: HVA P.O. Box 672 Hudson, WI 54016.

Practices and Play

We are planning to have teams practice twice per week (90 min each) for the 7-week Spring League period (planned for March 24 - May 11, 2024). Practices are typically scheduled between the hours of 6pm-9pm. Practice days will vary week to week due to gym availability and could include any day of the week (except Saturdays which are playdates).

Teams will typically participate in four (4) Saturday playdates or events between April 6 and May 11, 2024. Grades 7 and 8 will have the option to play in the WIVL League Championship Tournament on May 11, 2024 (seeded by spring season record). While we are hopeful that play dates will occur, it is entirely possible that our teams may not be placed in all requested dates as this is at the discretion of the league (WIVL).

Coaches

If you are interested in coaching or have any other questions, please reach out to HUDSONVOLLEYBALLWI@GMAIL.COM with your interest and please include your daughter's name and grade.

We look forward to a great spring season!
