

Bill Gann

My name is Bill Gann and I am excited for an opportunity to serve on our great association's board. My wife Tara and I currently have two boys in the association. Our oldest began playing as a Mite in 2015. My wife and I currently work as the Recruiting Committee. Through this I have been fortunate enough in that time to volunteer in many capacities and have witnessed such tremendous efforts being made to improve the on-ice growth and development within our association.

I did not get a chance to play hockey as a child as the opportunities didn't exist. Growing up in Southeastern Missouri, hockey was obsolete. When we relocated to Minnesota in 2015 we immediately immersed ourselves in the hockey world. It has become an important part of our family and our lives. Work ethic and sportsmanship are traits we feel very strongly in promoting within our children and this association and volunteers are a perfect example.

Professionally I am a Project Manager for BJ Baas where I oversee multiple projects, budgets and timelines daily. Communication and transparency is a key element to the success in serving in this role and I hope to bring my experience and knowledge to the board to further build our association into a great success.

Thank you for supporting Cambridge-Isanti Hockey Association and our amazing group of kids that play. It would be an honor to serve on the board and I would appreciate your vote.
