Personal Background \*

Husband, father, and small business owner with experience in leadership, budgeting, and organizational management. I value integrity, accountability, and community involvement.

Hockey / Youth Sports Philosophy \*

Youth hockey provides structure, discipline, and teamwork that carry into every area of life. My philosophy is that the game should develop character as much as skill. Sports should be competitive, but also accessible and rooted in strong values. The goal is to create an environment where players grow as teammates, leaders, and young adults – while still loving the game.

Credentials \*

Former player at Bishop Hendricken High School and Iona College.

Other Relevant Information

I strongly support maintaining SRIYHA as a non-profit organization focused on accessibility and long-term sustainability. Youth sports should remain affordable and community-driven so that families of all backgrounds can participate.
