The goal of the Central MN Compete USA Competition is to promote a fun and positive introductory competitive experience for the beginning skater. In addition to receiving placement awards at the individual competitions, season end awards are presented to recognize skaters' achievements in the Series. Skaters who compete in all the series competitions will have their name entered in a drawing for a **Rink Rabbit** bag, which will be given away at the "Battle of the Blades" competition in Alexandria. In addition, a traveling trophy will be awarded to the skating club with the most skaters participating in the series. The 2025 recipient was **Diamond Edge FSC**. This is an added skating incentive for your skater, but your skater may skate in any or all these competitions and it is not required. Points will be kept only for those signed up in the series as indicated on the registration forms.

This is the 9th year that “Skate Vacationland” has been part of the Central Minnesota Compete USA Competition Series, which is sponsored equally by the St. Cloud FSC, Diamond Edge FSC, Vacationland FSC, Fergus Falls FSC, and Alexandria FSC. This is a Learn to Skate USA Approved Compete USA Series Competition.

The planning committee representing the 5 hosting sites include:

2026 Skate Vacationland Schedule of Events:

Saturday, February 14th, 2026 @ 6:00 PM

Interpretive Showcase Event

Interpretive Guidelines:

1. Skaters will hear the music three times; twice during warm-up and once more prior to their individual skating times.
2. Skaters will skate their program demonstrating their ability to interpret the character of the music by combining footwork, jumps, and spins. Skating movements should be interpreted by feeling the music.
3. Judging will emphasize composition and style rather than technical ability. The full sheet of ice will be used.
4. Divisions are made according to the number of entries, ages and test levels.
5. At levels where jumps are an element, no more than three jumps will be allowed.
