Jamboree game rules:

two(2) 20 minutes halves  
No Special Teams  
Running Time  
1 Timeout per half  
5:00 minute Halftime break

This season we are implementing the 6U teams in our annual jamboree special events.  
Please read rules below:

6U Games will be played split field  
Each 6U team will obtain the ball for a 20 min half  
Example. (Team1 vs Team 2)  
Team 1 will be offense for 20mins then after half time Team 1 will be on Defense  
Team 2 will be on defense 1<sup>st</sup> half until second half when they will be on offense.  
coin toss will determine who gets ball first

This rule will be applied to allow 6U teams to get as many plays in one half that they are capable. With out the delay of changing from offense to defense during a running time jamboree game.

Also, Directors please inform your 6U coaches that the 6U jamboree games is simply an opportunity for their young players to get as much playing time as possible. Because the clock is running time.
