

It's that time of year again - Hockey Season! We have big plans for our small (but mighty) youth hockey league, but we will not be successful without the help of our local friends & businesses!

LRHYHA is home to almost 100 families from throughout the Lakes Region and beyond! As a sponsor you can feel good knowing that your donation is funding hockey scholarships for kids that may (otherwise) not be able to play. At the Lakers we do not turn away ANY child that wants to play hockey!

Some of our additional goals for the 2023 - 2024 hockey season are: longer ice time for our younger teams; more coaches to allow for ample instruction for all of our players; more tournament opportunities & new equipment for our teams.

I am reaching out to you in hopes that you would consider becoming a Lakes Region Youth Hockey Association Sponsor! As a sponsor of the LRYHA even a small amount can make a huge difference to the league and to our kids. There are multiple ways in which you can sponsor, and I have included them on the second page of this letter. Please keep in mind that **LRHYHA is a 501(C)3 non profit organization** and will provide you with the proper tax documentation upon receipt of your donation.

The LRYHA has become a home to many hockey families here in the Lakes Region and we'd like to include you and your business in our hockey family! Please respond via email or phone when you are ready to become a LRYHA corporate sponsor!

Sincerely,

Lakes Region Youth Hockey Association
