

# PLAY BALL! FOUNDATION

## Player Fee Fundraising

Play Ball! Foundation was founded to accommodate more area youths in their desire to play baseball and softball at a competitive level. Our goal in this organization is to expand the talents of these youths through the teaching of and reinforcement of fundamentals. The foundation supports these efforts through the sponsorships of local teams and organizations including, but not limited to, the UBA Gladiators, Omaha Tigers, Omaha Pacesetters, Nebraska Thunder, and others.

These teams consist of boys and girls from the Omaha Metro area and the surrounding communities. The formation of a team entails the purchase of equipment, uniforms, umpire fees and tournament entry fees as well as upkeep of the home baseball complex known as The Yard. The monies that we receive from our sponsors helps our families to defray these expenses and enables more youths to have the opportunity to play a higher level of baseball than they might have been able to do.

Any donation you may wish to make would be greatly appreciated. Play Ball! Foundation is a non-profit organization and all donations may be tax-deductible. You would need to consult your tax advisor as to the amount you are able to deduct. Should your tax advisor need our EIN number, it is 46-1640082.
